STATES' 4-H INTERNATIONAL

Global Citizenship & Cultural Immersion Programming for 4-H Age Youth

Summer 2013

Experience Norway without leaving home!

Open your home to an exchange delegate and open your lives to the world! Families will have an opportunity to experience Norway by hosting exchange delegates for four weeks this summer.

The youths will be visiting the United States as part of a 4-H Exchange Program. You don't need to be involved with 4-H to host. You just need a willingness to share your lives and your friendship with a young person from another country. Norwegian delegates are especially interested in participating in 4-H life and activities; county fairs or other 4-H related activities are of special interest to this group.

There are also opportunities to host an adult or junior chaperone for 2- 4 weeks. Families who host chaperones are not required to have children in the home.

Additional information:

Delegates: The delegates are in high school, ages 15-18. Delegates have all studied basic English language.

Exchange dates: July 1 through July 27, 2013. The group will have an arrival orientation in New York City from June 30 – July 1 and will then travel to their hosting state on July 2.

Host Family Requirements: States' 4-H International is seeking host families that will provide an excellent opportunity for the Norwegian delegates to experience American life and to be involved in 4-H activities. Host families must have a child of the same gender and within a two-year age range of the hosted delegate.

Please note: This program is limited; not all host families that apply will be assigned a delegate. Host families are encouraged to apply to other S4-H programs.
