OPERATION CARE PACKAGE

4-H Teen Conference Service Project

This year's service project is "Operation Care Package." Teen Conference attendees will pack boxes for servicemen and women serving in Iraq and Afghanistan. Teen Conference participants are encouraged to invite their family members, friends, neighbors, clubs, churches and communities to join them in contributing items (from the list) to bring to Teen Conference. All contributions will count towards district competition.

Idaho still has many National Guard and Reservists stationed in Iraq and Afghanistan, as well as a significant number of active duty personnel in all branches of the military. Show your appreciation for what our military are doing by donating items to send to them. At least 100 care packages will be prepared at Teen Conference *if enough items are donated*. Boxes are the Post Office Flat Rate Box, 11x8.5x5.5 inches, which cost $14.85 for postage. Below is a suggested list of items service members have asked for.

If you wish to make a monetary donation or organize a fundraiser to help cover postage or purchase items for the boxes, you can mail the contribution to the address at the bottom of the page.
