STATES' 4-H INTERNATIONAL

Global Citizenship & Cultural Immersion Programming for 4-H Age Youth

Summer 2013

Experience Argentina without leaving home!

Open your home to an exchange delegate and open your lives to the world! Families will have an opportunity to experience Argentina by hosting exchange delegates for four weeks this summer.

The youth will be visiting the United States as part of a 4-H Exchange Program. You don't need to be involved with 4-H to host. You just need a willingness to share your lives and your friendship with a young person from another country.

There are also opportunities to host an adult or junior chaperone for 2- 4 weeks. Families who host chaperones are not required to have children in the home.

Additional information:

Delegates: The delegates are in high school, ages 15-18. Delegates are from a small town in the Argentine countryside and have all studied basic English language.

Exchange dates: July 7th through August 7th, 2013. The group will have an arrival orientation in Washington DC from July 7th – 8th and will then travel to their hosting state on July 9th.

Host Family Requirements: States' 4-H International is seeking host families that will provide an excellent opportunity for the Argentine delegates to experience American life and to be involved in 4-H activities. Host families must have a child of the same gender and within a two-year age range of the hosted delegate.

Please note: This program is limited; not all host families that apply will be assigned a delegate. Host families are encouraged to apply to other S4-H programs.
