4-H Citizenship Through Community Pride

The Idaho 4-H Know Your Government Conference provides 4-H members in the 8th and 9th grades a state level opportunity for furthering the objectives of Community Pride. Delegates will participate in legislative or judicial workshops and:

- Learn how the state government decision-making process works,
- Learn how teens can participate politically to influence state government,
- Learn how the state Judicial System works,
- Learn what is involved in bringing a case to court,
- Observe the legislative process in action,
- Meet and share ideas with legislators, judges, and other elected officials,
- Have breakfast with legislators and judges.

Action to improve communities requires knowledge of government and how it works. Join 4-H'ers from across the state to see our government in action.
