Chili Judging & Cupcake Wars

Participants are asked to bring their very best crock-pot of homemade chili and/or fun and creative cupcakes for a fun and feisty lunch competition. Participants will be entered in to our People's Choice Awards where all recipes will be judged during the lunch break.

- Chili must be homemade
- Bring chili heated in a crock-pot. There will be outlets provided for heating/reheating your chili.
- The cupcake contest is open to all participants and will also have a designated youth category for the littlest bakers
- There will be prizes for the top chili entry, top cupcake entry and top junior cupcake
- This is a potluck type lunch and the more entries the better. If everyone brings one chili and one cupcake entry we will be sure to have enough and the contest will grow more interesting. Serving sizes will vary according to the number of entries. Also, please bring your own serving spoon.
