Please Print

Today's Date: _____ Phone #: _____

You or your parent(s) have indicated that one or both of parents may have extenuating circumstances that could affect their ability to contribute to your education. This form asks for information needed to consider an appeal of the expected parental contribution. It should be submitted as part of a written appeal from the parent(s) or with the "**Parental Appeal Letter**" (Form #17 on our website).

If you have not updated your 2013-14 FAFSA with filed tax information we will not be able to apply these changes until you do so. Log onto www.fafsa.gov and use the IRS Data matching tool to expedite updating this information.

In order to recalculate your eligibility (if the appeal is granted), we need your parent(s) to provide estimated 2013 income figures. **DO NOT** include any funds expected from financial aid and/or veteran's educational benefits.

All questions must be answered; blank is not an answer. Use gross income, not take-home or net.
