Agricultural Pesticide Applicators Training

The University of Idaho and the Idaho State Department of Agriculture will provide training specific to persons needing a pesticide applicator license in the Private Applicator (RU), Agricultural Herbicide (AH), Agricultural Insecticide/Fungicide (AI), or Statewide Consultant (SW) categories. This class includes certification testing. The classes will address basic core competency subjects for applicator certification and specific category information concerning the Agricultural Herbicide and Insecticide/ Fungicide examinations.

Training For Agricultural Pesticide Application Categories and the Idaho Statewide Consultant Examination

Presented by the University of Idaho and The Idaho State Department of Agriculture

Cost for this training is $75.00 (make checks payable to Canyon County Extension). You must register and pay by March 11, 2011. All training will be conducted at the U of I Caldwell Extension Complex. Registration does not include state examination or book fees. Training materials must be purchased from ISDA before the training dates. Lunches and breaks will be provided. Training may be cancelled for lack of interest.

Contact Jerry Neufeld at the Canyon County Extension Office (459-6003), or Sherman Takatori at the ISDA (332-8609) if you have questions.
