U-Idaho Enrollment Positive Under New Reporting Guidelines
U-Idaho official enrollment stands at 12,493 students using the new Oct. 15 'census' date and reporting guidelines set by the Idaho State Board of Education. The new SBOE guidelines replace the traditional 10th day of the fall semester reporting date with Oct. 15. They also limit all Idaho higher education institutions to reporting enrollment numbers for students in courses or programs that apply towards degrees or certificates. Unlike past years, students taking credits for external certificate programs, like public school teachers, and students in study abroad programs who are not taking courses at their Idaho institution are not included. Read more.

Permanent Staff Members Need to Complete PDQ
To accurately complete the Classification Study, we need non-faculty exempt and classified staff in permanent positions to complete your position description questionnaires before Nov. 14. The PDQ can be accessed online at www.surveygizmo.com/s3/1030636/University-of-Idaho-br-Position-Description-Questionnaire. Read more.
