

CURRICULUM VITAE

University of Idaho

NAME: Scott Lawrence

DATE: 10.2.2023

RANK OR TITLE: Associate Professor, Tenure-Track

DEPARTMENT: College of Art and Architecture, Architecture Program

OFFICE LOCATION AND CAMPUS ZIP: AAS 313B

OFFICE PHONE: 303.550.9921

FAX:

EMAIL: slawrence@uidaho.edu

WEB: scottslawrence.com

EDUCATION BEYOND HIGH SCHOOL:

Master of Architecture, University of Colorado, Denver, May 2009

Bachelor of Environmental Design, University of Colorado, Boulder, May 2006, Architecture Emphasis

Certificates and Licenses:

NCARB Certified

EXPERIENCE:

Teaching, Extension and Research Appointments:

Associate Professor, Architecture, University of Idaho, Moscow, ID 2023 – Present

Assistant Professor, Architecture, University of Idaho, Moscow, ID 2017 – 2023

Adjunct Lecturer, Architecture, University of Colorado, Denver, CO 2009 - 2017

Non-Academic Employment including Armed Forces:

Founding Partner, Nguyen Lawrence Architecture, Denver, CO 2015 – 2019

Lead Designer and primary client contact for Nguyen Lawrence, primarily working on restaurant, retail and residential projects. Nguyen Lawrence was a Colorado-based design firm founded on the core principle that buildings can enrich their environment and improve lives when they are in harmony with their physical, natural, and cultural contexts.

Co-Founder/ President, Immersion Workshop, Denver, CO 2011 - 2021

Immersion Workshop was a Colorado-based not-for-profit organization. Immersion develops and coordinates in-residence design workshop/ symposia focused on context-specific design. The workshops attract an international group of participants, ranging from experienced practitioners and academics, to advanced students and allied professionals.

Immersion held workshops in Woodstock, VT, Telluride, CO, Upper Kingsburg, Nova Scotia, and at The Sea Ranch, CA. Guest Speakers and Critics included Rick Joy, John Pawson, Frida Escobedo, Juhani Pallasmaa, Kai Piippo, Richard Lepastrier, Peter Stutchbury, Marlon Blackwell, Tom Kundig, Rick Sommerfeld, Claudia Kappel-Joy, Stephanie Goodson, Michael Boucher, Julie Snow, and Brian MacKay-Lyons.

I was responsible for the organizational vision, as well as the development and direction of the workshops and Symposia. I coordinated and led event schedules, materials, and objectives with guest tutors, critics and hosts, and gave a plenary presentation at each event. I also served as a critic and moderator.

Architectural Designer, BWG Architects (Cannon Design), Denver, CO 2008 - 2009

Member of health care design team. Projects included medical office buildings, acute care facilities, radiology departments, call service centers, psychology wards. Served as job captain on several of these projects. Part of Building Information Modeling software implementation and training team.

Architectural Designer, Studio Completiva, Denver, CO 2007 - 2008

Design, documentation, and construction administration for multi-family residential and assisted living projects. Led BIM conversion and training for the firm.

Architectural Intern, Todd Architects, Denver, CO

2006 - 2007

Completion of field verifications and building information models for over 100 projects, including Vail Sports, The North Face, Burton, Aspen Sports, Patagonia, and Heavenly Sports.

TEACHING ACCOMPLISHMENTS:

Areas of Specialization:

Design-Build Education, Context Specific Design, Design Pedagogy

Courses Taught:

University of Idaho:

Vertical Studio, ARCH 454/554	SP 18-22, SU 18-21, FA 18, 23
Architectural Design 3, Arch 353	FA 19-22, SU 19-20
Architectural Design 1, ARCH 253	FA 17
Materials and Methods, ARCH 266	FA 17-21, 23
Building Assemblies, ARCH 461	SP 19-22
Special Topics: Design Build, A Critical Framework, ARCH 404/504	FA 22
Special Topics: Construction in Design Build, ARCH 404/504	SP 18, SU 21-23
Special Topics: Logistics in Design Build, ARCH 404/504	SP 21-23
Special Topics: Community Design Praxis, ARCH 404/504	FA 20, 23
Special Topics: Conversations in Context, ARCH 404/504	FA 19
Graduate Project, Arch 556	SP 18-20

University of Colorado:

Graduate Advanced Architectural Design Studio, ARCH 6170	2013 - 2014
Graduate Comprehensive Design Studio, ARCH 6150	2013 - 2014
Graduate Architectural Design Studio 5, ARCH 6150	2016
Graduate Architectural Design Studio 4, ARCH 5140	2012 - 2013, 2016
Graduate Architectural Design Studio 3, ARCH 5130	2011 - 2013
Graduate Architecture Design Studio 2, ARCH 5120	2017
Graduate Design-Build Studio, ARCH 5140/6170	2015
Undergraduate Architectural Design Studio 5, ARCH 4110	2013
Undergraduate Architectural Design Studio 3, ENVD 4510	2010
Undergraduate Architectural Design Studio 1, ENVD 2210	2009 - 2010
Building Information Modeling 1, ARCH 3800/ 3805/ 4352/ 6463	2011 - 2012, 2014, 2017
Building Information Modeling 2, ARCH 6464	2012 - 2013
Architectural Presentation Design, ARCH 6464	2013
Sketching as Seeing, ARCH 5249	2013
Intro to Digital Media, ENVD 3352	2010

Students Advised:

Primary Faculty Advisor:

Bachelor of Science in Architecture – 14-35 students annually (currently at 18)
 Master of Architecture – 2-16 students annually (currently at 4)
 Master of Science, Integrated Art and Design - Noah Jensen (Graduated Fall 2020)

Graduate Project Faculty Advisor:

Giovani Florenca 2020 – Graduate Project: Spectator (Primary Advisor)
 Matt Gonser 2019 – Graduate Project: To the Prosperity of Kucukceme (Primary Advisor)
 Shirin Aboumasoudi 2018 – Graduate Project: Home (Primary Advisor)

Graduate Project Faculty Committee Member: (Major Professor: Bruce Haglund)

Matt Vollendorf 2021 – (Committee with Randall Teal)
 Brett Carter 2021 – (Committee with Carolina Manrique)
 Dakota Jones 2021 – (Committee with Carolina Manrique)
 Kyle Madsen 2021 – (Committee with Xaio Hu)
 Trista Spence 2021 – (Committee with Randall Teal)

Courses Developed:

University of Idaho:

ARCH 454/ 554 –	Vertical Design Studio
ARCH 454/ 554 –	Idaho Design Build Vertical Design Studio
ARCH 461 –	Building Assemblies
ARCH 404/ 504 –	Special Topics: Design Build, A Critical Framework
ARCH 404/ 504 –	Special Topics: Design Build Seminar
ARCH 404/ 504 –	Special Topics: Construction in Design Build
ARCH 404/ 504 –	Special Topics: Conversations in Context
ARCH 404/ 504 –	Special Topics: Community Design Praxis
ARCH 353 –	Architectural Studio 3 (Level Coordinator, 2019 – Present)
ARCH 266 –	Materials and Methods
ARCH 253 –	Architectural Studio 1

University of Colorado:

ARCH 6464 –	Architectural Presentation Design
ARCH 5249 –	Sketching as Seeing
ARCH 6170 –	Advanced Architectural Design Studio
ARCH 5140/6170 –	Graduate Design Build Studio
ARCH 6150 –	Graduate Comprehensive Design Studio
ARCH 6150 –	Graduate Architectural Studio 5
ARCH 5140 –	Graduate Architectural Studio 4
ARCH 5130 –	Graduate Architectural Studio 3
ARCH 5120 –	Graduate Architectural Studio 2
ARCH 3800/3805 4352/6463 –	Building Information Modeling 1
ARCH 6464 –	Building Information Modeling 2
ARCH 4410 –	Undergraduate Design Studio 5
ENVD 4510 –	Architectural Design Studio 3
ENVD 3352 –	Intro to Digital Media
ENVD 2210 –	Architectural Design Studio 1

Non-credit Classes, Workshops, Seminars, Invited Lectures, etc.:

Independent/ Directed Study:

Portfolio Design	2021
Design Build Research and Installation Design	2019, 2020
Context Driven Design	2012, 2014
AIAS/ AISC Steel Competition	2014
Wabi Sabi – Research and Furniture Design	2013
AIAS/ Vinyl Institute Competition	2011

Honors and Awards:

Core 77 Award	2023
Student Winner – Built Environment Neuman Forest Environmental Learning Pavilions Idaho Design Build Studio	
Orchid Award for Historic Preservation	2023
Moscow Historic Preservation Commission AB McDonald Elementary Outdoor Classroom Idaho Design Build Studio	
Architizer A+ Award	2022
Jury Winner – Architecture + Collaboration AB McDonald Elementary Outdoor Classroom Idaho Design Build Studio	
University Faculty Mid-Career Award	2022
University of Idaho Excellence Awards	
ACSA Design Build Education Award	2022
Association of Collegiate Schools of Architecture AB McDonald Elementary Outdoor Classroom Idaho Design Build studio with Brett Carter (MArch '21) and LaRae Tomera (MArch '22)	

Honorable Mention	2022
American Institute of Architects Northwest and Pacific Region Students Awards AB McDonald Elementary Outdoor Classroom Idaho Design Build Studio	
Honorable Mention	2021
American Institute of Architects Northwest and Pacific Region Students Awards One World Sidewalk Café Idaho Design Build studio	
Honor Award	2019
American Institute of Architects Northwest and Pacific Region Students Awards Hat Ranch Winery Idaho Design Build studio	
Student Design Award	2019
American Institute of Architects – Spokane Chapter Hat Ranch Winery Idaho Design Build studio	
America’s Ten Best New Restaurants	2019

OUTREACH:**Idaho Design Build:**

Moscow Chamber of Commerce and Visitor Center – Moscow, ID Design and Construction on renovation and addition to 3150 Building containing office meeting, and gallery space, in partnership with the Moscow Chamber of Commerce and Visitor Center Staff and Board of Directors. (ARCH 454/554, ARCH 404/504)	2023
Neuman Forest Environmental Learning Pavilion – Troy, ID Design and construction of a series of pavilions for science and forestry education. The project was developed in close coordination with Palouse Land Trust, Troy Schools, the Community, and Landowner. (ARCH 454/ 554, ARCH 404/504)	2022
Ridenbaugh Art Gallery Renovation – Moscow, ID Design and construction of gallery renovations at Ridenbaugh Art Gallery, in coordination with Art + Design faculty, College Administration, and University Architecture and Engineering Services. (ARCH 454/ 554, ARCH 404/504)	2022

- McDonald Elementary Outdoor Classroom – Moscow, ID 2021
Design and Construction of a 575 SF shade structure and custom seating at a local school. The project involved close coordination with school staff, a structural engineer, and the city. The design explored multiple uses for cedar utility pole butt ends which would otherwise be chipped for fuel.
(ARCH 454/ 554, ARCH 404/504)
- One World Sidewalk Cafe – Moscow, ID 2021
Design and Construction of a sidewalk café, inclusive of new exterior cladding, lighting, custom fabricated seating and bartops, and integrated Fold-away booths on a primary intersection in the city. Prefabrication allowed for continued operation of the café and use of the public right-of-way during construction. Students worked closely with the tenant and city to pilot the design as an alternative to (ubiquitous cheap and unsightly) outdoor dining structures that resulted from the Covid-19 pandemic.
(ARCH 454/ 554, ARCH 404/504)
- Moscow Hotel Residences Adaptive Reuse – Moscow, ID 2020
Design, Budget, Specifications, and Construction Documents and full-scale Stage-Set Mockup Construction for conversion of restaurant and commercial tenant space into Multifamily Residential.
(ARCH 454/554) - Project cancelled due to Covid-19
- Monarch Motel Exterior Improvements – Moscow, ID 2019
Conversion of disused, non-code compliant porte-cochere into an outdoor guest lounge.
(ARCH 454/ 554, ARCH 461)
- Hat Ranch Winery Tasting Room and Pavilion – Caldwell, ID 2018
Renovation and expansion of tasting room, and addition of exterior tasting pavilion at a small winery.
(ARCH 454/ 554)

Design Assistance, Project Development, and Development:

- University of Idaho Golf Course – Moscow, ID 2021
Conceptual Design for a multi-phase renovation of the Clubhouse Restaurant, and Indoor Range.
(ARCH 454/554)
- Clearwater Canyon Cellars – Lewiston, ID 2021
Conceptual Design for a new tasting room offices cased storage facility.
(ARCH 454/554)
- Nine2Five Offices – Moscow, ID 2020
Project Development, Design, Permit Drawings, and Construction Consultation
(ARCH 454/554) – Construction (contractor-built) Complete
- Moscow Hotel Dining Room Adaptive Reuse – Moscow, ID 2020
Design, Budget, Specifications, and Construction Documents. Demo, Stage-set and Mockup Construction
(ARCH 454/554) - Design Build - Project cancelled due to covid-19
- The Garden Lounge/ Sangria Grill – Moscow, ID 2020
Exterior Patio, Bar, and Host/ Takeout station – Schematic Design, Specifications and Budget
(ARCH 454/554) – Construction (contractor-built) in Progress
- Masonic Temple Building – Lewiston, ID 2020
BIM documentation and Conceptual Design for adaptive reuse
(Idaho Architecture Collaborative and ARCH 404/504)
- 861/ 863 Main Street – Lewiston, ID 2020
BIM documentation of Existing Conditions (861), Design Consultation (861 and 863)
(ARCH 404/504)
- Porter Block Building – Lewiston, ID 2020
Design Consultation on Second Floor Residential Renovations
(ARCH 404/504)

US Bank Building – Moscow, ID BIM documentation of existing building and Design Consultation (first floor and parking) (ARCH 454/554)	2020
Moscow Hotel Basement – Moscow, ID BIM documentation and Conceptual Design proposal (ARCH 454/554)	2020
Jackson Street Silos – Moscow, ID Conceptual Master Plan and Adaptive Reuse Design proposal (ARCH 454/554)	2018
Miners’ Lodge Building – Kellogg, ID Photographic Documentation, and Digitalization/ Recovery of existing construction drawings (ARCH 454/554)	2018
Bitner Winery – Caldwell, ID 2018 Photographic Documentation and BIM Documentation of existing construction. Design consultation. (ARCH 454/554)	

SERVICE:**Major Committee Assignments:****University of Idaho:**

College of Art and Architecture Search Committee Member Technical Design Studio Director - Moscow	2022
College of Art and Architecture Search Committee Member Technical Design Studio Assistant - Moscow	2022
College of Art and Architecture Facilities and Safety Committee Member	2021 – Present
