A LEGACY OF LEADING

PREPARING AND SUBMITTING DISTINGUISHED PROFESSOR NOMINATIONS

The rank of University Distinguished Professor will be bestowed upon University of Idaho faculty in recognition of sustained excellence in teaching, scholarship, outreach, and service. The rank will be held for the remainder of the recipient's active service at the University of Idaho; if the recipient retires while still employed by the University of Idaho, the title University Distinguished Professor Emeritus will be conferred upon retirement. The rank is meant to be highly honorific and therefore will be conferred on no more than three faculty members university-wide in any given academic year.
