CURRICULUM VITAE

University of Idaho

NAME: Gary D Austin
DATE: 01-01/2005 to 02/26/2010
OFFICE PHONE: 208-310-9507
FAX: 208-885-9428
EMAIL: gaustin@uidaho.edu

RANK OR TITLE: Associate Professor of Landscape Architecture

DEPARTMENT: Landscape Architecture Art and Architecture Room 211
ZIP: 83844-2481
WEB: www.webpagesh.uidaho.edu/~gaustin

DATE OF FIRST EMPLOYMENT AT UI: August 19, 1991

DATE OF TENURE: 1997

DATE OF PRESENT RANK OR TITLE: 1997

EDUCATION BEYOND HIGH SCHOOL:

M.L.A., 1981, California State Polytechnic University, Pomona
B.A., History, 1977, California State University, Fullerton
1973, Academia Hispana Americana, San Miguelda Allende, Mexico
1972, World Campus Afloat, Chapman College (Africa and Asia)

TEACHING, EXTENSION AND RESEARCH APPOINTMENTS:

Associate Professor, University of Idaho
Assistant Professor, University of Idaho
Lecturer - Cal Poly, Pomona
Lecturer, University of Washington

TEACHING ACCOMPLISHMENTS:

Areas of Specialization:
Construction Detailing, Constructed Wetland Design, Community Revitalization, Mixed Use Housing

As Assistant and Associate Professor at University of Idaho, August 1991-present.

Courses Taught:

Spring 2010, The Cultural Landscape, 4 credits. Graduate studio focusing on quality of life issues and economics of the Northwest USA
Spring 2010, Senior Studio, 3 credits. Senior Thesis.
Spring 2010, The History of Landscape Architecture, 3 credits. Computer assisted survey course with studio projects.
Spring 2010, Water in the Urban Context, 2 credits. Storm water management, wetlands, fountain design, irrigation design.
Summer 2010, Design Studio, 6 credits. Junior level studio addressing wetland restoration and agricultural tourism. Landscape Architecture Study Abroad Program (with Professor S. Drown).
Summer 2010, Italian Hilltowns, 2 credits. Urban culture and morphology. Landscape Architecture Study Abroad Program (with Professor S. Drown).
Spring 2009, The Cultural Landscape, 4 credits. Graduate studio focusing on quality of life issues and economics of the Northwest USA
Spring 2009, Senior Studio, 3 credits. Senior Thesis.
Spring 2009, The History of Landscape Architecture, 3 credits. Computer assisted survey course with studio projects.
Spring 2009, Water in the Urban Context, 2 credits. Storm water management, wetlands, fountain design, irrigation design.
Spring 2009, Introduction to Italian Language, 1 credit. Study abroad preparation.

Summer 2009, Design Studio, 6 credits. Junior level studio addressing wetland restoration and agricultural tourism. Landscape Architecture Study Abroad Program (with Professor S. Drown).
Summer 2009, Italian Hilltowns, 2 credits. Urban culture and morphology. Landscape Architecture Study Abroad Program (with Professor S. Drown).
Fall 2009, Junior Design Studio, 3 credits. Collaborative studio with architecture students and Professor W. McClure, focusing on rural community planning design
Fall 2009, Senior Design Studio, 3 credits. Development of portfolio quality construction documents.
Fall 2009, Advanced GIS, 1 credits. Introduction to Landscape Architecture.
Spring 2008,
Summer 2008, Design Studio, 6 credits. Junior level studio addressing wetland restoration and agricultural tourism. Landscape Architecture Study Abroad Program (with Professor S. Drown).
Summer 2008, Italian Hilltowns, 2 credits. Urban culture and morphology. Landscape Architecture Study Abroad Program (with Professor S. Drown).
Fall 2008, Introduction to Landscape Architecture, 1 credit.
Fall 2008, Junior Design Studio, 3 credits. Collaborative studio with architecture students and Professor W. McClure, focusing on rural community planning design and proposals for Cascade ID.
Fall 2008, Senior Design Studio, 3 credits. Construction detailing for projects in Cascade ID.
Spring 2007, 2 credits. Construction studio (layout, wood, steel)
Spring 2007, 2 credits. Construction studio (concrete, CMU, retaining walls, electrical and lighting)
Spring 2007, Senior Studio, 3 credits. Senior Thesis (8 students).
Spring 2007, The History of Landscape Architecture, 3 credits. Computer assisted survey course with studio projects.
Spring 2007, Water in the Urban Context, 2 credits. Storm water management, wetlands, fountain design, irrigation design.
Summer 2007, Design Studio, 6 credits. Junior level studio addressing wetland restoration and agricultural tourism. Landscape Architecture Study Abroad Program (with Professor S. Drown).
Summer 2007, Italian Hilltowns, 2 credits. Urban culture and morphology. Landscape Architecture Study Abroad Program (with Professor S. Drown).
Fall 2007, Junior Design Studio, 3 credits. Collaborative studio with architecture students and Professor W. McClure, focusing on rural community planning and design
Fall 2007, Senior Design Studio, 3 credits. Development of portfolio quality construction documents.
Fall 2007. Introduction to Landscape Architecture, 1 credits.
Spring 2006, The Cultural Landscape, 2 credits. Graduate seminar focusing on quality of life issues and economics of the Northwest USA. Native American history and natural resource management are used to compare and contrast with the other residents of the region.
Spring 2006, Senior Studio, 3 credits. Senior Thesis.
Spring 2006, The History of Landscape Architecture, 3 credits. Computer assisted survey course with studio projects.
Spring 2006, Construction Detailing, 2 credits. Layout techniques, road alignment, wood framing and detailing and steel detailing.
Spring 2006, Water in the Urban Context, 2 credits. Storm water management, wetlands, fountain design, irrigation design.
Fall 2005, Junior Design Studio, 3 credits. Collaborative studio with architecture students and Professor W. McClure, focusing on urban redevelopment (Seattle waterfront).
Fall 2005, Senior Design Studio, 3 credits. Development of portfolio quality construction documents.
Fall 2005, Advanced GIS, 3 credits. CommunityViz application to comprehensive planning (with Professor T. Otawa).
Fall 2005, SketchUp Training, 1 credit. Three dimensional modeling for landscape architecture.
Fall 2005, Photoshop Training, 2 credits. Plan and section rendering, photo simulation and presentation posters.
Summer 2005, Design Studio, 6 credits. Junior level studio addressing wetland restoration and high density urban development. Landscape Architecture Study Abroad Program (with Professor S. Drown).
Summer 2005, Italian Hilltowns, 2 credits. Urban culture and morphology. Landscape Architecture Study Abroad Program (with Professor S. Drown).
Spring 2005, The Cultural Landscape, 2 credits. Graduate seminar focusing on quality of life issues and economics of the Northwest and USA. Use of Community VIZ for comprehensive planning/3 dimensional modeling and economic analysis.

Spring 2005, Senior Studio, 3 credits. Senior Thesis.
Spring 2005, The History of Landscape Architecture, 3 credits. Computer assisted survey with studio projects.
Spring 2005, Construction Detailing, 2 credits. Layout techniques, road alignment, wood framing and detailing and steel detailing.
Spring 2005, Water in the Urban Context, 2 credits. Storm water management, wetlands, fountain design, irrigation design.

LECTURES:
2009, "Collaboration in Community Planning and Design" for Introduction to the Built Environment, Arch. 151
2009, Two lectures for Biop 520 on design process and physical design.
2005, Grading and Drainage for Architectural Site Planning (two lectures); "Layout Solutions for Architectural Site Planning" (two lectures). Site Planning and Design for Architects, Larc 383.
2005 – 2000, "Pivotal Works in Landscape Architecture", Introduction to Architecture, Arch. 151.

Students Advised:
Thesis Committee Chair for:
2010 Karen Oleson, MSLA
2008 Robert Farnsworth, MSLA
2006, Cory Rockel, MSLA.
2006, Joshua Smith, MSLA.
2006, Christine Lewis, MSLA.
2005, Yi Kun Chan, MSLA.

Graduate Thesis Committee Member for:
2010 Jan Kirchoff, MSLA
2009 Brian Cucksey, MSLA
2008, Aaron Parsons, MSLA
2005, Seung Kim, MSLA.

Courses Developed:
2006-2004, Water in the Urban Context. Revising former irrigation design course to include constructed wetland design, water harvesting and other sustainability issues.
2005, The Cultural Landscape. 4 credit graduate seminar emphasizing cultural issues including history, economics, religion, transportation, native peoples, tourism, and quality of life.
2005, Advanced Computer Assisted Planning, 3 credits (with Professor T. Ottawa), use of CommunityViz (and Arc View Extension) for comprehensive planning, economic analysis, and 3 dimensional visualization.
2005, Three Dimensional Modeling for Landscape Architecture. Sketch-Up Training
2005, Rendering and Photo simulation, 2 credits. (using Photoshop software)

SCHOLARSHIP ACCOMPLISHMENTS:
Publications, Exhibitions, Performances, Recitals:
Books or Chapters in Books:
2010, *Cascade, Idaho: Planning and Design Projects*, Editor. In progress.
2010, *Historic Italian Towns*, In Progress (with Professor S. Drown). . In progress.

Articles and Reports:
2010, Austin. "Constructed Wetlands for Wasterwater Treatment and as Landscape Amenities in Rural Communities" in *Rural Connections Journal.* In press.
2010, Austin, Gary; Laninga, Tamara; McClure, Wendy. "University/Community Engagement in Small Western Towns: Preserving Rural Character and Enhancing Community Sustainability through Service-Learning Partnerships" in *Journal of Planning Education and Research.* In review.
2005, Internet presentation of design proposals for the City of Lewiston, Brownfield development

Papers Presented At Scholarly Meetings:
2010. Austin, G; Drown, S. "Service-Learning and Landscape Architecture" in Italy at International Association for Research on Service-learning and Community Engagement. Abstract in review.

2010, Austin, G. “Green Infrastructure: The Rural Town and the Regional Environment” at Association of Collegiate Schools of Planning. Abstract in review.
2010, Austin, G; Laninga, T; Watson, P. “Balancing Design and Economics in Community Development Proposals” at Association of Collegiate Schools of Planning. Abstract in review.
2009, Austin, G; Laninga, T; McClure, W. “Reinvesting in Small Western Town Central Business Districts: Preserving Rural Character and Enhancing Sustainable Development through University-Community Partnerships”. Association of Collegiate Schools of Planning.

SERVICE:
Major Committee Assignments:
2010, University Tenure and Promotion Committee
2009, College Tenure and Promotion Committee
2010, 2009, 2008 College Bylaws Committee
2009, Department Third Year Review Committee
2008, College Chairs + 1 Committee
