Study Abroad Program: _____
(Location) (Term)

Please answer the following questions in the space provided below (Question 1-4):

1. List the extracurricular activities at the University of Idaho in which you have participated and describe offices or positions held and the nature and extent of your participation. Please indicate membership, role played in carrying out the mission of the organization and the time spent dedicated to the activity or organization each semester.

2. List the activities outside of the University of Idaho in the larger community, in which you have participated. Please indicate membership, role played in carrying out the mission of the organization and the time spent dedicated to each activity or organization each semester.

3. List and describe any special academic accomplishments attained in college.

4. Attach a short essay (two pages or less) to include a brief one paragraph biographical sketch and describe where and why you are pursuing a study abroad program.
