2012+ Four Year Planning Q & A

Q: What are SS (Social Sciences) and H (Humanities) General Education Requirements?

A: The University of Idaho requires students of all majors to complete certain General Education requirements. To fulfill the Social Science and Humanities requirements you must have 6 Social Science credits and 6 Humanities credits. You must choose these classes from an **approved list.** This list of qualifying classes can be found on **Degree Audit** under the heading *UI General Education*.

*You can also access this and other General Education information by going to the U of I home page > Registrar > Schedules & Catalogs > Gen Ed Requirements > UI Catalog 2012+

*Note: In this 4yr plan model Psyc 101 counts as one of the required SS classes for Gen Ed and counts for Department of Psychology requirements (see degree audit or a Peer Advisor for more information)

Q: What are SS Addtl BS and H Addtl BS requirements?

A: If you do not have a Double Major, Minor, or 18 Credit Area of Emphasis, you are required to complete an additional 3 Social Science credits and 3 Humanities credits. The list of classes that meet this requirement can be found on **Degree Audit** under the heading *Additional Bachelor of Science Requirements*.

*Additional BS requirements are used in the four year plan example above.

Q: What are the Additional BS Math/Science requirements?

A: If you do not have a Double Major, Minor, or 18 Credit Area of Emphasis you are required to complete an additional 6 Natural Science / Math credits. The list of classes that meet these requirements can be found on **Degree Audit** under the heading *Additional Bachelor of Science Requirements – Additional Natural Science/Mathematics*

Q: I have heard Math 108 does NOT count for anything. Why should I take it?

A: Math 108 does not count as 3 credits for U of I Gen Ed math. Math 108 does count **toward the 120 credits needed to graduate** and Math 108 does count **as a prereq for Stat 251**

- Stat 251 fulfills the 3 needed credits of U of I Gen Ed math
- Stat 251 is required for Psychology Majors
