CURRICULUM VITAE
University of Idaho

NAME: Hall, Troy Elizabeth
RANK OR TITLE: Professor & Department Head
DEPARTMENT: Conservation Social Sciences
OFFICE LOCATION AND CAMPUS ZIP: 1139
DATE: January, 2014
OFFICE PHONE: 885-9455
FAX: 885-6226
EMAIL: troyh@uidaho.edu

DATE OF FIRST EMPLOYMENT AT UI: November 13, 2000
DATE OF TENURE: 2003
DATE OF PRESENT RANK OR TITLE: 2010

EDUCATION BEYOND HIGH SCHOOL:

Ph.D., Oregon State University, Corvallis, Oregon, 1996, Forest Resources
M.A., Duke University, Durham, North Carolina, 1990, Cultural Anthropology
B.A., Pomona College, Claremont, California, 1985, Anthropology

EXPERIENCE:
Teaching, Extension and Research Appointments:
Department Head, Conservation Social Sciences, 2013- present
Director of Graduate Programs, College of Natural Resources, 2012-2013
Professor, University of Idaho, Department of Conservation Social Sciences, 2010- present
Associate Professor, University of Idaho, Department of Conservation Social Sciences, 2003 - 2010
Assistant Professor, University of Idaho, Department of Resource Recreation and Tourism, 2000-2003
Assistant Professor, Virginia Tech, Department of Forestry, 1997-2000
Assistant Professor, Oregon State University, Department of Forest Resources, 1996
Graduate Research Assistant, Department of Forest Resources, Oregon State University, 1991-1995

Other:
Seasonal employment (annually) with the USDA Forest Service (Willamette NF, Mt. Hood NF, Wallowa-Whitman National Forest, and Intermountain Research Station), 1983-1996.

Areas of Specialization:
Communication theory
Interdisciplinary sustainability science
Sociology of science
Public understanding of science
Research methods (qualitative, quantitative & mixed)
Wilderness management
Environmental interpretation
Outdoor recreation planning and management
Theories of environmental behavior

TEACHING ACCOMPLISHMENTS:
Courses Taught at University of Idaho:
CSS 490 Wilderness Management (as part of "Semester in the Wild")
FOR 501 Writing Scientific Manuscripts
CSS 591 Theories of Environmental Behavior
CSS 510 Communication Theory
CSS 387 Environmental Communication Skills
RRT 504 Advanced Readings in Social Theory
RRT 504 Data Analysis and Interpretation
CSS 501 Cross-disciplinary Research
CSS 504 State of the Parks
NR 101 Introduction to Renewable Natural Resources
RRT 386 Resource Recreation and Tourism Planning
RRT 504 Current Issues in Recreation
CSS 504 Writing Proposals

Courses Taught at Virginia Tech:
FOR 3564, Recreation Planning, Fall 2000
FOR 4544, Oversight for Senior Seminar taught by Ph.D. students, Fall 1998, Fall 2000

FOR 3544, Outdoor Recreation Management, Spring 1998, Spring 1999, Spring 2000
FOR 4444, Integrated Resource Management Practicum (co-taught), Spring 1999, Spring 2000
FOR 5464, Research Methods, Fall 1998
FOR 4974, Field Studies for Outdoor Recreation seniors.
FOR 1114, Introduction to Renewable Natural Resources (co-taught), Fall 1997
FOR 5454, Recreation Theory, Fall 1997
FOR 5974, 3-credit independent study on recreation policy and planning, focusing on statewide and local planning, Fall 1997
FOR 3534, Outdoor Recreation Field Experience (co-taught), Spring, 1997

Courses Taught at Oregon State University:
Wilderness Management, Winter 1995, Winter 1996
Research Methods, Winter 1996

Graduate Committees, Chair, completed:
Jarod Blades (PhD), 2013, CSS/IGERT
Melissa Clark (MS), 2013, CSS
Andrew Bentley (PhD), 2012, CSS
Alicia de la Cruz (PhD), 2012, CSS
Maria Bromley (MS), 2012, CSS
Amber Kostoff (MS), 2012, CSS
Chad Kooistra (MS), 2011, CSS
Kofi Akamani (PhD), 2011, CSS
Craig Watt (MS), 2011, CSS
Andrea Davidson (MS), 2011, CSS
Richard Young (MS), 2010, CSS
TJ Broom (MS), 2010, CSS
April Rand (MS), 2010, CSS
Paulina Starkey (MS), 2009, CSS
Nancy Patterson (MS), 2009, CSS
Shannon Amberg (PhD), 2008, CSS
Jenny Golding (MS), 2008, CSS
Alexis Lewis (MS), 2008, CSS
Allison La Duke (MS), 2007, CSS
Erin Seekamp (PhD), 2006, CSS (co-chair)
Jennifer Farnum (PhD), 2006, CSS
Debbie Van Winkle (MS), 2006, CSS
Jennifer Farnum (MS), 2004, RRT
David Bucy (PhD), 2004, RRT
Levi Novey (MS), 2004, RRT
Adam Barnett (MS), 2004, RRT
Dave White (PhD), 2002, Virginia Tech, Forest Resources
Chad Gotch (MS), 2002, RRT
Mary Farber (MS), 2003, RRT
Shannon Dickson (MS), RRT
Rebecca Wiles (MS), 2004, RRT
Megan Slothower (MS), 2004, RRT
Vivaca Fuemmeler (MS), 2003, RRT
Karen Hockett (MS), 2000 – Virginia Tech
Michelle Adcock (MS), 1999 – Virginia Tech
Jason Dedrick (MS), 1999 – Virginia Tech

Graduate Committees, Chair, ongoing:
Sara Gress (MS), CSS
Susie Irizarry (MS), CSS
Chad Kooistra (PhD), CSS
Jesse Engebretson (PhD), CSS

Graduate Committees, member, completed
Connor Arbiter (MS), Political Science, 2013
Ben Bright (MS), Environmental Science, 2011
Tessa Jilot (MS), CSS, 2012
Ashley Lange (MS), CSS, 2012
Ariel Blotkamp, (MS), CSS, 2011
Hannah Schechter (MS), CSS, 2011
Heather Truelove (PhD, WSU), Psychology, 2009
Blythe Duell (PhD, WSU), Psychology, 2008
Brian Stephens (MS), Environmental Sciences, 2008
Ryan Brown (MS, Oregon State University), Forest Resources, 2008
Max Nielsen-Pincus (PhD), Forest Resources, 2007
Matthew Grisko (MS), Philosophy, 2007
Sarah Warnecke (MS), CSS, 2007
Kristin Mercer (MS), Anthropology
Jena Daly (MS), CSS
Cavan Fitzsimmon (MS), CSS
Kim Skyelander (PhD), CSS
Joan Kluwe (PhD), CSS, 2002
Naoko Yamada (MS), CSS
Bekah Haslam (MS), CSS
Jennifer MacDonald (MS), CSS
Rachel Woita (MS), CSS
Donella Pratt (MLA), Landscape Architecture
Stephen Haas (MS), 2000 – Virginia Tech
Erin Seekamp (MS), 2000– Virginia Tech
Tracy Farrell (PhD), 1999– Virginia Tech
David Robertson (MS), 1998– Virginia Tech
Nemedass Chandool (MS), 1997– Virginia Tech
Angelina Kendra (PhD), 2001 – Virginia Tech

Graduate Committees, member, ongoing:
David Griffin (PhD), Environmental Science
Jess Helsley (MS), Environmental Science
Spencer Plumb (PhD), CSS

HONORS & AWARDS:
University of Idaho Donald Crawford Graduate Faculty Mentoring Award, 2013
USDA Forest Service, National Award for Wilderness Research, 2009
University of Idaho, College of Natural Resources Outstanding Research Award, 2005
University of Idaho Alumni Award for Excellence, 2004
Graduate Research Assistant, Department of Forest Resources, Oregon State University, 1991-1995
Dorothy Hoener Fellowship, Oregon State University, 1991-1994
James B. Duke Fellowship, Duke University, 1986-1990

Invited Presentations

Hall, T. E. 2013. Effective science communication. Invited plenary speaker, Idaho Chapter of the Wildlife Society annual conference, Coeur d'Alene Resort, March 12, 2013, Coeur d'Alene, ID.

Hall, T. E., Blades, J.*, Olsen, C., & Toman, E. 2012. Current research on public tolerance of smoke from wildfire. Webinar sponsored by Joint Fire Science Program.

Hall, T. E. 2012. Methods for estimating recreation use. Invited presentation at the Recreation Management Workshop, Madras, OR, April 10-12, 2012. Federal Energy Regulatory Commission.

Hall, T. E. 2012. Methods for assessing user attitudes. Invited presentation at the Recreation Management Workshop, Madras, OR, April 10-12, 2012. Federal Energy Regulatory Commission.

Hall, T. E. 2011. Challenges of climate change communication. Presentation to UI CIRCA group, December, 2011.

Hall, T. E. 2011. Insights from the Editor. International Symposium on Society and Resource Management. Editor's panel, Madison, WI, June, 2011.

Hall, T. E., & Cole, D. N. 2011. Immediate conscious experience in wilderness: A phenomenological investigation. *Wilderness Visitor Experiences: Progress in Research and Management*, April 4-7, 2011, Missoula, MT.

Seekamp, E., Hall, T. E., & Cole, D. N. 2011. Visitors' conceptualizations of wilderness experiences. *Wilderness Visitor Experiences: Progress in Research and Management*, April 4-7, 2011, Missoula, MT.

Hall, T. E. 2007. Balancing work and life (panel member). University of Idaho Women's Leadership Conference: Exploring Your World, Charting Your Future. October 19, 2007.

Hall, T. E. 2007. Wilderness trends in the Pacific Northwest. Invited presentation, Wilderness Stewardship in the Rockies. Lubrecht Forest, MT, January 2007.

Hall, T. E. & Cole, D. N. 2007. Recreation trends in Pacific Northwest wilderness. Wilderness Stewardship in the Rockies. Lubrecht Forest, MT, January 2007.

Hall, T. E. 2005. Invited speaker – US Forest Service Recreation workshop. Portland, OR. Feb 7-10, 2005.

Hall, T. E. 2004. Presentations to River Managers Society workshop. Fenn Ranger Station, May 19, 2004.

Hall. T. E. 2004. Invited group leader, US Forest Service Centennial observance. Missoula, MT, 2004.

Hall, T. E. 2003. Managing escalating day use in wilderness: Who's coming and what are they seeking? University of Montana Wilderness Lecture Series, Missoula, MT, 2003.

Hall, T.E. 1999. Evaluation of social conditions on the Colorado River in Grand Canyon. Invited paper presented at the River Managers Society Conference. Phoenix, AZ, May 10-13, 1999.

Professional Meeting Papers:

Blades, J.*, Kemp, K.*, Klos, Z.*, Hall, T. E. (2013). Integrated climate change workshops with forest managers of the U.S. Northern Rockies: Our experience with the new paradigm of interdisciplinary graduate education. Digital poster presented at the First Global Conference on Research Integration and Implementation. September 8-11, Australian National University, Canberra, Australia.

Blades, J. J.*, Kemp, K.*, Klos, Z.*, Tinkham, W., Hall, T. E., Morgan, P., & Force, J. E. (2013). Forest managers respond to climate change science: Understanding how boundary objects affect perceptions of risk and efficacy. Presented at 19th International Symposium on Society and Resource Management. Estes Park, CO, June 4-8, 2013.

Carroll, M. S., Paveglio, T., Brenkert-Smith, H., & Hall, T. E. (2013). Firewise for whom? The value of the expanded goal of fire-adapted communities. Presented at 19th International Symposium on Society and Resource Management. Estes Park, CO, June 4-8, 2013.

Clark, M. E.* & Hall, T. E. (2013). Effective communication of climate and wildland fire projections: A northern Rocky Mountains study. Presented at 19th International Symposium on Society and Resource Management. Estes Park, CO, June 4-8, 2013.

Hall, T. E., & Blades, J. J.* (2013). Engaging students and managers through video modules: Development of a short course about public perceptions of smoke. Presented at the International Smoke Symposium, University of Maryland, October 21-25, 2013.

Hall, T. E., Blades, J. J.*, Olsen, C. S., Toman, E., & Frederick, S.*, (2013). Public tolerance of smoke from wildland fire: Comparative results from surveys in seven U.S. states. Presented at the International Smoke Symposium, University of Maryland, October 21-25, 2013.

Hall, T. E. & O'Rourke, M. (2013). Educational theory behind the Toolbox: Using Toolbox workshops to enhance cross-disciplinary collaboration and communication. Presented at 19th International Symposium on Society and Resource Management. Estes Park, CO, June 4-8, 2013.

Klos, Z.*, Blades, J. J.*, Kemp, K.*, Hall, T. E., Morgan, P., Force, J. E., & Link, T. (2013). Forest managers' response to climate change science: Toward understanding the cognitive impacts of boundary objects at the management-research interface. Presented at AGU Chapman Conference: Communicating Climate Science: A Historic Look to the Future. Granby, CO, June 8-13, 2013.

O'Rourke, M., Crowley, S., Eigenbrode, S. D., Hall, T. E., Wulfhorst, J. D., Donovan, S., Bosque-Pérez, N. A., Looney, C., Rotschy, L., Hubbs, G., Gonnerman, C. (2013) Enhancing interdisciplinary communication: Introducing the Toolbox Project. Poster presented at the First Global Conference on Research Integration and Implementation, September 8-11, Australian National University, Canberra, Australia.

O'Rourke, M. & Hall, T. E. (2013). Integration in the context of cross-disciplinary research communication. Presented at 19th International Symposium on Society and Resource Management. Estes Park, CO, June 4-8, 2013.

Rotschy, L., O'Rourke, M., Snover, A., Hall, T. E., Daley-Laursen, S., Bisbal, G., Eigenbrode, S. D., Tuana, N., Keller, K. (2013) Climate science collaboration & the Toolbox Project. Poster presented at the First Global Conference on Research Integration and Implementation, September 8-11, Australian National University, Canberra, Australia.

Bentley, D.* & Hall, T. E. (2012). Hangin' on the beach: Mental restoration and place attachment at shoreline recreation sites. Presented at The International Symposium on Society and Resource Management, Edmonton, Alberta, Canada, June 17-21, 2012.

Blades, J.*, & Hall, T. E. (2012). Enhancing public communication by comparing tolerance of smoke from

wildland fires in the northern Rockies and south-central U.S. Presented at The International Symposium on Society and Resource Management. Edmonton, Alberta, Canada, June 17-21, 2012.

Blades, J.*, & Hall, T. E. (2012). The future is smoky: Toward explaining public tolerance of smoke from wildland fire and fuels management. Paper presented at the 3rd Human Dimensions of Wildland Fire Conference, Seattle, Washington.

Blades, J.*, Hall, T. E., & Shook, S. (2012). Deconstructing public preferences and tradeoffs about smoke from wildland fires in the Northern Rockies using conjoint analysis. Paper presented at the 3rd Human Dimensions of Wildland Fire Conference, Seattle, Washington.

Clark, M. E.* & Hall, T. E. (2012). What's the risk? Using frames to communicate wildfire information to stakeholders. International Symposium on Society and Resource Management, Edmonton, Alberta, Canada, June 17-21, 2012.

Hall, T. E., convener. (2012). Special session on communication related to smoke. International Symposium on Society and Resource Management, Edmonton, Alberta, Canada, June 17-21, 2012.

Hall, T. E., & Davidson, A.* (2012). Protection of wilderness character: Insights from two studies in the Bridger Wilderness. Presented at Wilderness Stewardship in the Rockies, Lubrecht Forest, Montana, Feb 29, 2012. Lubrecht Forest, Montana.

Kooistra, C.* & Hall, T.E. (2012). Understanding residents' attitudes about mountain pine beetle outbreaks in Grand County, Colorado. Presented at 5th International Association for Fire Ecology Congress. Portland, OR.

Kooistra, C. M.*, & Hall, T. E. (2011). Poster: Investigating the relationships among environmental concern, risk perceptions, and support for management of mountain pine beetle infested forests among residents of a Colorado community. 17th International Symposium for Society & Resource Management: Integrating Conservation and Sustainable Living. Madison, WI, June 4-8, 2011.

Davidson, A.*, & Hall, T. E. (2011). Naturalness vs. wildness: Visitor support for management alternatives to anthropogenic changes in the Bridger Wilderness. Presented at the George Wright Society Conference. New Orleans, LA. March, 2011.

Blotkamp, A.*, Ham, S., & Hall, T. E. (2011). Day hikers in bear country: A study of knowledge, fear, and protection motivation. Presented at the George Wright Society Conference. New Orleans, LA, March, 2011.

Blades, J.* et al. (2011). Poster at the Second Annual Pacific Northwest Climate Science Conference in Seattle, WA, September 13, 2011

Kulesza, C.*, & Hall, T. E. (2010). The portrayal of women in hunting magazines. Presented at Pathways to Success 2010: Increasing human capacity for global human-wildlife coexistence. Estes Park, CO, September 27 – October 1, 2010.

Young, R.*, & Hall, T. E. (2010). An environmental education outreach program for the Lower Salmon River. Presented at the River Managers Society, Portland, OR, May, 2010.

Amberg, S. M. & Hall, T. E. (2009). Factors that influence public perceptions of aquaculture and consumption of farm-raised seafood in the Pacific Northwest. Aquaculture America, Seattle, WA,

February 15-18, 2009.

Amberg, S. M. and T. E. Hall. 2008. Public opinions of aquaculture in Idaho and Washington: Results from a qualitative study and insights into a general population assessment. 19th Annual Meeting of the Idaho Aquaculture Association (IAA). Twin Falls, ID. June 21-22, 2008.

Cole, D. N. & Hall, T. E. (2008). Effect of use level and length of stay on wilderness experience: Solitude and privacy functions. International Symposium on Society and Resource Management: "People and Place: Linking Culture and Nature." Burlington, VT, June 9 -14, 2008.

Hall, T. E. & Amberg, S. M. (2008). Farmed salmon: The science vs. the media. International Symposium on Society and Resource Management: "People and Place: Linking Culture and Nature." Burlington, VT, June 9 -14, 2008.

SERVICE:

University of Idaho:

- College of Natural Resources
  - Elected faculty representative to the CNR Dean's Leadership Council, 2009-2013
  - Director of graduate programs, CNR 2012- 2013
  - College of Natural Resources Curriculum Committee, 2000-2013 (Chair 2001-2006, 2012)
  - Ecology and Conservation Biology Program Petitions Committee & Senior Project Committee, 2006-2013
  - Participant in strategic plan development for CNR's Fire Ecology & Management program, 2008
  - Member of CNR Strategic Plan Goal 2 implementation team, 2008
  - Ecology and Conservation Biology Program Co-Director, 2005
  - Coordinator, review of CNR Core Curriculum, 2004
  - Search Committee Membership: Taylor Wilderness Research Station Managers (2012); Forest, Rangeland and Fire Sciences Department Chair (2012); Associate Dean, CNR (2007); Economist/Policy Analyst (2004)
- Department of Conservation Social Sciences
  - Co-led revisions of the BS in Resource Recreation and Tourism and creation of new BS in Natural Resource Conservation, 2012-2013.
  - Helped draft the Conservation Social Sciences Department's External Program Review document, 2011-2013
  - External facilitator, staff retreat, McCall Outdoor Science School, August, 2013
  - Chair, Dr. Kelly Wendland's mentoring committee, 2012- present.
  - Developed assessment rubrics for CSS MS proposals and final presentations, 2008
  - Search Committees: Conservation Social Sciences Assistant/Associate Professor (2013); Conservation Social Sciences Department Head, 2008; Bioregional Planning Assistant Professor (CSS), 2007
- University-wide
  - Co-leader (with Cathy Roheim, Agricultural Economics & Rural Sociology), University of Idaho review of social science capacities and opportunities for research, 2013-present
  - Judge, University of Idaho Graduate Innovation Showcase, April 23, 2013
  - UI Human Assurances Committee/Institutional Review Board, 2004 to 2010

- Departmental representative at UI retreat on graduate education (May 12-13, 2008)
- Meetings with UI Women's Center and others to organize support groups for women PhD students and to write grant proposals. 2005
- UI Commencement Marshal 2002, 2003
- Search committee: Environmental Philosophy Assistant Professor, 2007
- McNair mentor & senior thesis advisor to Denise Whaley (Environmental Sciences, 2005); Stephanie Dignum (RRT, 2010)

Virginia Tech:
Undergraduate Affairs Committee, Department of Forestry, 1997-2000
Graduate Affairs Committee, Department of Forestry, 1997-2000
Student Policy and Affairs Committee, College of Forestry and Wildlife, 1998-2000
University reviewer for ASPIRES proposals, 1998
Faculty advisor to the Natural Resources Recreation Society, 1997-2000
Undergraduate Commencement Usher, 1997, 1999, and 2000

Professional and Scholarly Organizations:
Co-Editor in Chief, *Society & Natural Resources*, 2008 to 2011
Special Projects Editor, *Society & Natural Resources*, 2007-2008
Executive Editor, *International Journal of Wilderness*, 2006 to 2008
Interim Co-Editor *Society & Natural Resources*, 2006-2007
Editorial Board, *Science Communication*, 2012- present
Associate Editor:
International Journal of Wilderness, 2000-2005
Journal of Leisure Research, 2002-2008
Forest Science, Social Science Associate Editor, 2002- 2008
Journal of Interpretation Research, 2006- 2008

Member:
International Association for Society and Natural Resources

Past Member:
National Recreation and Park Association
Society of American Foresters
Society of Professional Recreation Educators
National Association for Interpretation

EXTERNAL SERVICE & OUTREACH
Wilderness-related service & outreach

- Member, National Steering Team for "Wild50," the national celebration of the 50th anniversary of the Wilderness Act, 2012- present.

- Developed national protocol for monitoring opportunities for solitude in wilderness; consulted with several national forests and national program leadership on pilot testing the protocol, 2012. Finalized protocol and delivered national webinars, 2013.

- Consulted with Tongass National Forest on Wilderness Character Monitoring, 2011.

- Member, USDA Forest Service Wilderness Information Management Steering Team, 2006-present

- Member, USDA Forest Service Wilderness Monitoring Committee, 2003-2006, 2012- present

- Social Science Technical Subject Matter Expert, Technical Guide for Monitoring Wilderness Character. 2004- 2006

- Developed and co-facilitated session on implications of recent research for Forest Service wilderness management in the Pacific Northwest. Portland, OR, March 3 to 5, 2008.

- Invited meeting (field trip) with new USFS Director of Wilderness and Wild & Scenic Rivers, October, 2006.

- Participated in a 2-day workshop on "outstanding opportunities" related to wilderness management sponsored by the Aldo Leopold Wilderness Research Institute. Lubrecht Forest, MT, 2004.

- Invited participant, 3-day workshop in Anchorage, AK (January 2002), to help colleagues develop protocols to monitor recreational use in National Park Service backcountry and wilderness area.

- Invited facilitator, 2-day strategy session in Missoula, MT (January 2002), to develop performance goals for the National Park Service pertaining to wilderness management, in accordance with the Government Performance and Results Act.

- Invited peer reviewer, USDI Fish and Wildlife Service, national agency policy and direction for wilderness management, 2002.

- Meetings with Mt. Hood and Mt. Baker National Forests to advise on social data collection needs and methods for federal wilderness areas, 2002. Meetings with Wallowa-Whitman National Forest to develop monitoring protocols for wilderness conditions, 2000, 2001.

- Wallowa-Whitman National Forest, Eagle Cap Ranger District. 3 days of field assistance with developing and implementing wilderness campsite monitoring program. August 28-30, 1999. Enterprise, Oregon. Additional week of field assistance in 2001.

- Willamette National Forest. Technical advisor and regular workshop presenter at monthly public meetings to develop a wilderness management plan. 1993-94.

Workshops/Training for Arthur Carhart National Wilderness Training Center 2002 to present)

- Hall, T. E. 2013. Protecting wilderness benefits. National Wilderness Stewardship Training. Missoula, MT, June 26, 2013
- Hall, T. E. 2012. Interpretation and education for wilderness stewardship. Estes Park, CO, October, 2012.
- Hall, T. E. 2012. Protecting wilderness benefits. National Wilderness Stewardship Training. Missoula, MT, June, 2012.
- Hall, T. E. 2010. Protecting wilderness benefits. National Line Officers Course. Missoula, MT, June 25, 2010.
- Hall, T. E. 2008. Protecting wilderness benefits: A research approach. Missoula, MT, June 24, 2008.
- Taped sessions for on-line courses, 2007:
    - Developing an education program for wilderness
    - Strategies and tactics for managing social impacts in wilderness
    - Monitoring trail and camp encounters in wilderness
    - Collecting visitor use information for wilderness stewardship

- Hall, T. E. 2007. Okefenokee National Wildlife Refuge, February 2007.
- Hall, T. E. 2007. Visitor use monitoring and management. Interagency Regional Wilderness Stewardship Training, Alamosa, CO, March 2007.
- Hall, T. E. 2007. Land matters: Wilderness in modern America. Missoula, June 2007.
- Hall, T. E. 2007. Visitor use management. Interagency Regional Wilderness Stewardship Training, Missoula, MT, May, 2007.
- Hall, T. E. 2006. Designing monitoring programs. Las Vegas, NV, 2006.
- Hall, T. E. 2006. Collecting and managing data. Las Vegas, NV, 2006.
- Hall. T. E. 2006. Analyzing and using monitoring data. Las Vegas, NV, 2006.
- Hall, T. E. 2006. Social trends and wilderness use. National Wilderness Stewardship Training, Missoula, MT, June, 2006.
- Hall, T. E. 2006. Understanding wilderness visitors and wilderness experiences. National Wilderness Stewardship Training, Missoula, MT, June, 2006
- Hall, T. E. 2005. Visitor Use Management course, Atlanta, Jan 31-Feb 3, 2005
- Hall, T. E. 2005. Visitor Use Management course, Missoula, April 25-28, 2005
- Hall, T. E. National Line Officers' Course, Missoula, MT, 2004
- Hall T. E. 2004. Issue identification. National Training on Information & Education in Wilderness, Pack Forest, WA, 2004.
- Hall. T. E. 2004. Audience analysis. National Training on Information & Education in Wilderness, Pack Forest, WA, 2004.
- Hall, T. E. 2004. Matching messages, media and audiences. National Training on Information & Education in Wilderness, Pack Forest, WA, 2004.
- Hall, T. E. 2004. Evaluation. National Training on Information & Education in Wilderness, Pack Forest, WA, 2004.
- Hall, T. E. Visitor Use Monitoring Course, Reno, NV, 2004
- Hall, T. E. 2003. Visitor Use Management Course, Colorado Springs, CO, 2003.
- Hall, T. E. 2003. Visitor Use Management Course, Palm Springs, CA, 2003.
- Hall, T. E. 2003. Visitor Use Management Course, Portland, OR, 2003.
- Hall, T. E. 2002. Social trends affecting wilderness. April 25, 2002.

Other research-related service & outreach:
Presentation of research findings and discussion of management implications to staff from Lake Roosevelt National Recreation Area, April 22, 2013. Public meeting with stakeholders, June 28, 2013.

Facilitator, "Toolbox" workshops with interdisciplinary teams:

- CRISSP Research Experiences for Undergraduates, Moscow, ID, July, 2012
- Pacific Northwest Climate Science Conference, HJ Andrews Experimental Forest, August 8, 2012
- Workshop on Interdisciplinary Graduate Education, Coeur d'Alene, October 7-9, 2012

Participant, Delphi panel to identify great challenges in natural resource research and education, Cornell University, 2012.

Presentation of research findings and discussion of management implications to staff from Lake Roosevelt National Recreation Area, November 7, 2011.

Consultant to LDRD project on deliberative polling (collaborative between INL, ISU, BSU, and UI). 2007 to 2010.

Invited participant, workshop on developing monitoring protocols for socio-economic conditions in National Parks, Tucson, AZ, March 23-27, 2009.

Invited meeting chair and facilitator, workshop on Sense of Place in Resource Management. Ashland, WI, September 24 to 26, 2008.

Conducted State of the Parks assessment for Muir Woods National Monument (for the National Parks Conservation Association), spring 2008.

Oversaw graduate student in conducting State of the Parks assessment for Effigy Mounds National Monument (for the National Parks Conservation Association), spring 2008.

Participated in 1-day workshop at Great Basin National Park to identify research needs related to management of visitor conflict during Lehman Caves guided tours (March 20-22, 2008).

Organized and conducted a workshop on management of recreation in riparian areas with US Forest Service managers. Cle Elum, WA, October 9-11, 2007.

Trainings for Idaho State Parks on Environmental Interpretation, March & October, 2006

Invited participant in "Best Practices for Environmental Field Days," a NSF-funded project at University of Minnesota, 2006

Organized and put on a 3-day workshop of leading researchers on Sense of Place, Portland, Oregon, April 2004.

Presentation to Colorado Division of Wildlife regarding state of knowledge for communicating with visitors, 2003

Invited participant, national workshop in Salt Lake City, UT (January 2003), to develop guidance for Bureau of Land Management in measuring visitor use, in compliance with the Government Performance and Results Act. 2003

Outside reviewer for the National Forest Recreation Use Sampling Project undertaken by the Southern Research Station of the US Forest Service, 2000.

Appalachian Trail camping assessment. Working with ATC members and staff, visiting sites along the Appalachian Trail, assessing ecological and social impacts and making recommendations for management. October 4-8, 1999 in Maine and New Hampshire, November 8-10, 1999 in Maryland, Pennsylvania, and New Jersey, and July 18-20, 2000 in Vermont. Total of approximately 75 participants. 2000

Grand Canyon National Park. 13-day information and coordination trip on the Colorado River in Grand Canyon. Myself and PIs from three other research projects presented research, discussed implications, and debated next research steps. 15 participants. July 1999.

Other academic service & outreach:
Advisor and collaborator on USDA Farm-to-School Grant, Oxbow Organic Farm and Education Center, Carnation, WA.

Promotion and Tenure reviewer for various faculty at several institutions, 2011-present.

Advised CNR Range Club on poster presentation for national competition, 2012, 2013.

Judge, national NSF IGERT poster/video competition, 2012.

Reviewer, Joint Fire Science Program grant applications, January, 2011.

External reviewer for the National Parks Conservation Association's State of the Parks report, 2011

Appointment as courtesy faculty (adjunct), Oregon State University, 2006

External Reviewer for grant application, Social Sciences and Humanities Research Council of Canada, 2003

Conference leadership

Conference chair, 2003 Human Dimensions of Natural Resources Conference, Sun Valley, ID, October 9-11, 2003.

Member, program committee, 2002 River Managers Society Conference, Boise, Idaho, May, 2002.

Co-organizer, 1998 Southeast Recreation Research Conference, Charleston, South Carolina.

Grants & Contracts Awarded:

T. E. Hall, Principal Investigator, J. Boll, & B. Cosens. 2013. Collaborative Research: Values and Policy in Interdisciplinary Environmental Science: A Dialogue-based Framework for Ethics Education. National Science Foundation $103,241. (Collaborative Award with MSU, total ~$300,000).

T. E. Hall, Principal Investigator. 2013. Research to Support Wilderness Planning at Yosemite National Park, Part II. ~$47,000

T. E. Hall, Principal Investigator. 2012. Developing a National Framework for Wilderness Character Monitoring for the US Forest Service. USDA Forest Service. $9,900.

T. E. Hall & K. Lindberg, co-Principal Investigators. 2011. McKenzie River Boater and Trail User Study. ~$40,000.

T. E. Hall, Principal Investigator. 2011. Research to Support Wilderness Planning at Yosemite National Park, Part I. $76,600.

Smith, A., Principal Investigator (T. E. Hall, Co-PI). 2011. Understanding Extreme Fire Events. NASA. $1.3 million.

T. E. Hall, Principal Investigator. 2011. Graduate Research Improvement grant for Jarod Blades. Joint Fire Sciences Program, $25,000.

T.E. Hall, Principal Investigator. 2010. Understanding Public Perception of Smoke. Joint Fire Sciences Program. ~$380,000

T.E. Hall, Principal Investigator. 2010. Visitor Use and Public Needs Assessment, Lake Roosevelt National Monument. National Park Service. ~ $150,000

Bosque-Perez, N., Principal Investigator. 2009. Member of NSF IGERT renewal team. Evaluating resilience of ecological and social systems in changing landscapes: A doctoral research and education program in Idaho and Costa Rica. $3.2 million.

T. E. Hall, Principal Investigator. 2009. Developing a Protocol for Monitoring Encounters in Wilderness. Yosemite National Park. ~50,000.

T. E. Hall, Co-Principal Investigator. 2009. Lower Salmon River Internship. Bureau of Land Management. ~$40,000.

T. E. Hall., Principal Investigator. 2008. State of the Parks Assessments. National Parks Conservation Association. $5,250.

T. E. Hall & E. E. Krumpe, Principal Investigators. 2008. Lehman Caves Visitor Study. National Park Service. $20,269.

T. E. Hall, Principal Investigator. 2008. Understanding Wilderness Visitors and Experiences. USDA Forest Service. $15,000.

T. E. Hall, Principal Investigator. 2007. Factors influencing public consumption of aquaculture products in Washington and Idaho. USDA-CSREES Aquaculture Program. $35,000.

T. E. Hall, Principal Investigator. 2006. Management of Recreation in Riparian Areas. Research Joint Venture Agreement (USDA Forest Service, Pacific Northwest Research Station). ~$70,000.

T. E. Hall, Principal Investigator. 2006. Additional funds for Wilderness Character Monitoring. USDA Forest Service, Washington Office. ~$24,000.

T. E. Hall, Principal Investigator. 2006. Public perceptions of aquaculture: Influences of media information and decision heuristics on perceived risks and benefits of farmed fish and seafood. USDA-CSREES Aquaculture Program and the Northwest Center for Aquaculture Research and Education. $35,000.

T. E. Hall, Principal Investigator. 2005. State of the Parks Assessments. National Parks and Conservation Association. $23,000.

T. E. Hall, Principal Investigator. 2004. Sense of Place in Forest Planning (supplemental funding). USDA Forest Service, Pacific Northwest Region. $19,000.

T. E. Hall, Principal Investigator. 2004. Sense of Place in Recreation Management (supplemental funding). USDA Forest Service, Rocky Mountain Research Station. $17,000.

T. E. Hall, Principal Investigator. 2004. Wilderness Campsites – Restoration & Monitoring. USDA Forest Service, Rocky Mountain Research Station. $48,000.

T. E. Hall, Principal Investigator. 2004. Monitoring Wilderness Character. USDA Forest Service, $32,115.

T. E. Hall, Principal Investigator. 2004. Understanding Wilderness Experiences, extension. $75,000.

T. E. Hall, & E. Krumpe, Principal Investigators. 2005. Monitoring Boaters' Experiences in Hells Canyon. Extension. ~. $12,000.

T. E. Hall, Principal Investigator. 2003. Understanding Wilderness Experiences, extension. $100,000.

T. E. Hall and E. Krumpe, Principal Investigators. 2003. Monitoring Boaters' Experiences in Hells

Canyon. $75,000.

Hall, T. E., Principal Investigator. 2003. Recreation and Tourism Initiative. USDA Forest Service Pacific Northwest Research Station - $75,000.

C. Harris, P. Morgan, and T.E. Hall Co-Principal Investigators. 2002. Practicing sustainability: An interdisciplinary approach to a capstone course in natural resources. USDA CSREES, $97,641.

Hall, T. E. Principal Investigator. 2002. Wilderness Recreation in the Pacific Northwest. USDA Forest Service, Pacific Northwest Region. ~ $63,000.

Hall, T. E., Principal Investigator. 2002. Development of an Interpretation Plan for the Historic Fenn Ranger Station. USDA Forest Service, Clearwater National Forest. ~$36,700.

Krumpe, E. and Hall, T. E., Principal Investigators. 2002. Delphi study to identify vital signs for the Northern Colorado Plateau. USDI National Park Service. $24,607.

Hall, T. E., Principal Investigator. 2001. Evaluating experiences in wilderness. Aldo Leopold Wilderness Research Institute. ~ $136,000.

Krumpe. E. & Hall, T. E., Principal Investigators. 2001. Owyhee River visitor study. BLM. ~ $30,000.

Hall, T. E., Principal Investigator. 2001. Developing protocols to monitor social conditions in wilderness at Shenandoah National Park. NPS. ~$10,000.

T.E. Hall and E. Krumpe, Principal Investigators. 2001. Vital signs monitoring planning for the Greater Yellowstone Ecosystem network. NPS. ~$23,000.

T.E. Hall, E. Krumpe, and N. Sanyal, Principal Investigators. 2001. Delphi study of effects of snowmobiles on wildlife in parks. NPS. ~ $22,000.

T.E. Hall and T. Smith-Jackson, Principal Investigators. 2000. Evaluation of National Park Service Sign Format and Design, National Park Service, $106,149.

T.E. Hall, Principal Investigator. 1999. Evaluating the Effects of A Designated Site Camping Policy in Wilderness, Aldo Leopold Wilderness Research Institute, $6,000.

T.E. Hall, Principal Investigator. 1998. Indicators and Standards of River Trip Experience Quality in Grand Canyon: A Reapplication and Extension, Grand Canyon Association, $73,096.

R.B. Hull, and T.E. Hall, Principal Investigators. 1998. Managing Sense of Naturalness: Managing Relationships between Forests and Local Communities, USDA FS, $53,460.

M. Uysal, Principal Investigator, T.E. Hall, Co-Principal Investigator. 1998. Understanding Recreation Satisfaction, National Park Service, $30,000.

G. Amacher, J. Sullivan, T.E. Hall, and R.B. Hull, Principal Investigators. 1997. The Forest Bank: Concept to Reality, Fund for Rural America (USDA CSREES), $164,388.

T.E. Hall, Principal Investigator. 1997. Shenandoah National Park Backcountry and Wilderness Visitor Study, USDI National Park Service, $58,404.

T.E. Hall, Principal Investigator. 1997. Great Egg Harbor National Scenic and Recreation River Visitor and Landowner Study, USDI National Park Service. $48,372.
