CURRICULUM VITAE

University of Idaho

NAME: Hall, Troy Elizabeth
RANK OR TITLE: Associate Professor
DEPARTMENT: Conservation Social Sciences
OFFICE LOCATION AND CAMPUS ZIP: 1139

DATE: October, 2008
OFFICE PHONE: 885-9455
FAX: 885-6226
EMAIL: troyh@uidaho.edu

DATE OF FIRST EMPLOYMENT AT UI: November 13, 2000
DATE OF TENURE: 2003
DATE OF PRESENT RANK OR TITLE: 2003

EDUCATION BEYOND HIGH SCHOOL:

Ph.D., Oregon State University, Corvallis, Oregon, 1996, Forest Resources
M.A., Duke University, Durham, North Carolina, 1990, Cultural Anthropology
B.A., Pomona College, Claremont, California, 1985, Anthropology

EXPERIENCE:

Teaching, Extension and Research Appointments:

Associate Professor, University of Idaho, Department of Conservation Social Sciences, 2004- present
Assistant Professor, University of Idaho, Department of Resource Recreation and Tourism, 2000-2004
Assistant Professor, Virginia Tech, Department of Forestry, 1997-2000
Assistant Professor, Oregon State University, Department of Forest Resources, 1996
Graduate Research Assistant, Department of Forest Resources, Oregon State University, 1991-1995

Other:
Seasonal employment (annually) with the USDA Forest Service (Willamette NF, Mt. Hood NF, Pacific Northwest Research Station, and Intermountain Research Station), 1983-1996.

Areas of Specialization:
Communication theory
Sociology of science
Environmental interpretation
Public understanding of science
Wilderness management
Outdoor recreation planning and management
Theories of environmental behavior
Research methods

TEACHING ACCOMPLISHMENTS:
Courses Taught at University of Idaho:
CSS 591 Theories of Environmental Behavior
CSS 510 Communication Theory
CSS 387 Environmental Communication Skills
RRT 504 Advanced Readings in Social Theory
RRT 504 Data Analysis and Interpretation
CSS 504 State of the Parks
NR 101 Introduction to Renewable Natural Resources
RRT 386 Resource Recreation and Tourism Planning
RRT 504 Current Issues in Recreation

Courses Taught at Virginia Tech:
FOR 3564, Recreation Planning, Fall 2000
FOR 4544, Oversight for Senior Seminar taught by Ph.D. students, Fall 1998, Fall 2000
FOR 3544, Outdoor Recreation Management, Spring 1998, Spring 1999, Spring 2000
FOR 4444, Integrated Resource Management Practicum (co-taught), Spring 1999, Spring 2000
FOR 5464, Research Methods, Fall 1998
FOR 4974, Independent field study organized for 5 Outdoor Recreation seniors.
FOR 1114, Introduction to Renewable Natural Resources (co-taught), Fall 1997
FOR 5454, Recreation Theory, Fall 1997
FOR 5974, 3-credit independent study on recreation policy and planning, focusing particularly on statewide and local planning, Fall 1997
FOR 3534, Outdoor Recreation Field Experience (co-taught), Spring, 1997

Courses Taught at Oregon State University:
Wilderness Management, Winter 1995, Winter 1996
Research Methods, Winter 1996

Invited participant, workshop on developing monitoring protocols for socio-economic conditions in National Parks, Tucson, AZ, March 23-27, 2009.

Consultant to LDRD project on deliberative polling (collaborative between INL, ISU, BSU, and UI). 2007 to present.

Invited meeting chair and facilitator, workshop on Sense of Place in Resource Management. Ashland, WI, September 24 to 26, 2008.

Attended USFS national Wilderness Information Management Steering Team meeting (March 31 to April 4, 2008).

Developed and co-facilitated session on implications of recent research for Forest Service wilderness management in the Pacific Northwest. Portland, OR, March 3 to 5, 2008.

Conducted State of the Parks assessment for Muir Woods National Monument (for the National Parks Conservation Association), spring 2008.

Oversaw graduate student in conducting State of the Parks assessment for Effigy Mounds National Monument (for the National Parks Conservation Association), spring 2008.

Visited Great Basin National Park and participated in 1-day workshop to identify research needs related to management of visitor conflict during Lehman Caves guided tours (March 20-22, 2008).

Organized and conducted a workshop on management of recreation in riparian areas with US Forest Service managers. Cle Elum, WA, October 9-11, 2007.

Trainings for Idaho State Parks on Environmental Interpretation (March & October, 2006)

Invited meeting (field trip) with new USFS Director of Wilderness and Wild & Scenic Rivers, October, 2006.

Appointment as courtesy faculty (adjunct), Oregon State University (2006).

External reviewer for Promotion and Tenure for Dr. Rudy Schuster (SUNY), 2006

Invited participant in “Best Practices for Environmental Field Days,” a NSF-funded project at University of Minnesota, 2006

Organized and put on a 3-day workshop of leading researchers on Sense of Place, Portland, Oregon, April 2004.

Participated in a 2-day workshop on “outstanding opportunities” related to wilderness management sponsored by the Aldo Leopold Wilderness Research Institute. Lubrecht Forest, MT, 2004.

Conference chair, 2003 Human Dimensions of Natural Resources Conference, Sun Valley, ID, October 9-11, 2003.

Presentation to Colorado Division of Wildlife regarding communicating with visitors via signs (2003)

External Reviewer, Social Sciences and Humanities Research Council of Canada. 2003. Reviewed grant application.

Invited participant, 3-day workshop in Anchorage, AK (January 2002), to help colleagues develop protocols to monitor recreational use in National Park Service backcountry and wilderness area.

Invited participant, national workshop in Salt Lake City, UT (January 2003), to develop guidance for Bureau of Land Management in measuring visitor use, in compliance with the Government Performance and Results Act.

Invited facilitator, 2-day strategy session in Missoula, MT (January 2002), to develop performance goals for the National Park Service pertaining to wilderness management, in accordance with the Government Performance and Results Act.

Invited peer reviewer, USDI Fish and Wildlife Service, national agency policy and direction for wilderness management, 2002.

Meetings with Mt. Hood and Mt. Baker National Forests to advise on social data collection needs and methods for

federal wilderness areas, 2002. Meetings with Wallowa-Whitman National Forest to develop monitoring protocols for wilderness conditions, 2000, 2001.

Member, program committee. 2002 River Managers Society Conference, Boise, Idaho, May, 2002.

Co-organizer of the 1998 Southeast Recreation Research Conference, Charleston, South Carolina.

Outside reviewer for the National Forest Recreation Use Sampling Project undertaken by the Southern Research Station of the US Forest Service, 2000.

Appalachian Trail camping assessment. Working with ATC members and staff, visiting sites along the Appalachian Trail, assessing ecological and social impacts and making recommendations for management. October 4-8, 1999 in Maine and New Hampshire, November 8-10, 1999 in Maryland, Pennsylvania, and New Jersey, and July 18-20, 2000 in Vermont. Number of participants varied, but was between 5 and 15 at any given time. Total of approximately 75 different participants. 2000

Wallowa-Whitman National Forest, Eagle Cap Ranger District. 3 days of field assistance with developing and implementing wilderness campsite monitoring program. August 28-30, 1999. Enterprise, Oregon. Additional week of field assistance in 2001.

Grand Canyon National Park. 13-day information and coordination trip on the Colorado River in Grand Canyon. Myself and PIs from three other research projects presented research, discussed implications, and debated next research steps. 15 participants. July 1999.

Willamette National Forest. Technical advisor and regular workshop presenter at monthly public meetings to develop a wilderness management plan. 1993-94.
