	FCS 240 or PSYC 330		3						
		*Fall only	3						
		Credits	**20**		**Credits**	**17**		**Credits**	**0**

Note: As necessary, courses may be taken in the summer term to accelerate coursework completion. PEP 418, H&S 288, some activity courses, and many of the General Education Core courses and electives are offered in the summer term. If necessary, please work with your advisor to help develop an academic plan that will incorporate summer courses. Students will need to be interviewed and accepted into the Physical Education pedagogy sequence.

Total Credits 147
