Delivery Permit
Guidelines for Use

1. Delivery permits are intended for business use only by vendors or university departments who provide proper justification for frequent delivery access on campus

2. Delivery permits are equal to the Red permit rate for non-university affiliates

3. Justification must be provided for use of an annual Delivery permit versus use of a temporary Delivery permit

4. Delivery permits are **NOT** intended for student use, personal use, or for attending meetings

5. Delivery permits validate parking for a maximum of 1 hour in the following locations: delivery spaces, any regular space in a color permitted lot, meters, pay station lots, timed spaces

6. Delivery permits validate parking for a maximum of 30 minutes in designated "valid campus walkway" spaces on the walkway

7. Delivery permits are **NOT VALID** in any of the following locations: disability spaces, visitor spaces, reserved spaces, service spaces, any area not designated as a space (fire lane, yellow curb), areas posted "no parking 2 a.m. to 6 a.m."

8. Parking in any of the spaces/locations listed in number 7, above, with a Delivery permit may result in citation and/or fine

These guidelines constitute a partial list of campus parking regulations specific to Delivery permits. Campus maps and the complete parking regulations are available at www.uidaho.edu/parking.
