On Namibia’s legendary Chobe River, enjoy a three-night river safari featuring naturalist-guided excursions by small watercraft—a fantastic perspective from which to observe the magnificent wildlife gathering along the banks of the Chobe—with accommodations aboard the exclusively chartered, Five-Star Zambezi Queen, featuring only 14 beautifully appointed Staterooms, each with a private balcony. During your classic land safari aboard four-wheel-drive vehicles, enjoy superb game viewing in seldom-visited Botswana, a sanctuary for nearly all of the southern African mammal species, and in MalaMala Private Game Reserve, an extension of South Africa’s renowned Kruger National Park.

Follow Mandela’s “long road to freedom,” where each stop is its own poignant reminder of the struggle for democracy: from his former home in Soweto to UNESCO World Heritage-designated Robben Island, to Johannesburg and the presidency of South Africa, “the rainbow nation.”

Hear the unique insights of our special guest speaker, founder of the Liliesleaf Farm Trust. Savor glorious Cape Town, poised dramatically between Table Mountain and the sparkling waters of Table Bay. Johannesburg, South Africa/ Pretoria/ Soweto

“A world in one country,” South Africa is perhaps the most diverse, multifaceted country on Earth. Cosmopolitan Johannesburg, known colloquially as “Joburg,” is home to one of the world’s largest urban forests, where amid some of the tallest buildings on the continent, more than six million trees flourish in the pleasant subtropical highland climate. The 1886 gold reef discovery ushered in a flux of European opportunity and ultimately stirred the rich political history of this “City of Gold.”

Cover photo: The water level at Victoria Falls varies throughout the year; during the dry season it is possible to walk across parts of the falls, but at peak levels the water flows at over 132,000 gallons per minute.

Photo this page: Table Mountain, the most iconic landmark of South Africa, reaches 3563 feet above sea level and supports over 2200 species of plants, making a spectacular backdrop to Cape Town and its stunning harbor.
North of Johannesburg lies vibrant Pretoria, known for its diverse architecture, purple-blossomed jacaranda trees and distinctly Afrikaans culture. Trace South Africa's journey to democracy in the historic Liliesleaf Farm, once the epicenter of the liberation movement and now a cultural heritage site. Visit the Voortrekker Monument, honoring the mid-19th-century Dutch Voortrekkers (pioneers) who emigrated from the Cape Colony to the inland highveld, and see the Union Buildings and the formal garden where Mandela gave his historic presidential inauguration speech (1994).

Few places reflect South Africa's history like Johannesburg's South Western Townships, better known as Soweto. A broad cross section of South African daily life—from shack settlements to a rising middle class to millionaires—this thriving community is a cultural beacon and reminder of the long-lasting effects of segregationist politics. Soweto endures as an example of the South African strength of spirit; its Vilakazi Street fostered two Nobel Peace Prize laureates, Nelson Mandela and Desmond Tutu. Follow in the footsteps of Mandela—visit his house and the Hector Pieterson Memorial, an iconic symbol of the historic 1976 apartheid protests; see the FNB Stadium, where he delivered his first speech in Johannesburg following his 1990 release from prison; and tour Johannesburg's evocative Apartheid Museum.

Enjoy a specially arranged dinner featuring guest speaker Nicholas Wolpe, founder and CEO of the Liliesleaf Farm Trust. Wolpe will share an insider’s perspective on the historic events surrounding Liliesleaf and the African National Congress (ANC).

Seek out Africa’s “Big Five” wildlife species, including leopard, during a game drive in Chobe National Park.

MalaMala Private Game Reserve
Renowned particularly for the quality of its leopard viewing, MalaMala is South Africa’s largest private “Big Five” game reserve, ideally nestled between the Sabi Sands Game Reserve and Kruger National Park, for a combined six-million-acre sanctuary for nearly 150 species of mammals, more than 500 bird species, over 100 varieties of reptiles, dozens of fish and amphibian species and nearly 350 types of trees. Enjoy morning and afternoon game drives to observe the wildlife that roam freely between the reserves.

Cape Town
Enjoy three full days in Cape Town, one of the world’s most beautiful cities; this “Garden City” is adjacent to the UNESCO World Heritage Cape Floral Kingdom, which encompasses Table Mountain National Park and over 4000 plant species. Cape Town is a vibrant city of meticulously preserved Edwardian, Victorian and Cape Dutch architecture. See the historic City Hall, where Mandela made his first public speech mere hours after his release from prison. Ascend Table Mountain by cable car (weather permitting) for sweeping city and coastal views, and ride a funicular up to lofty Cape Point. In a private home in Cape Town’s Bo-Kaap township, savor the aromatic spices of traditional Cape Malay cuisine—a unique fusion of South African, Dutch and Malaysian flavors—during a specially arranged Cest Bon! CULINARY TRADITIONS™ dinner.

Tour Robben Island, a UNESCO World Heritage site, where Mandela and other political prisoners made strides in attainining equal rights during apartheid despite inhumane conditions.

Navigate the Chobe River on a once-in-a-lifetime river safari, where pods of hippopotamus can be found cooling themselves in the water.

Observe the unique symbiosis between species in this unspoiled ecosystem.

**MalaMala Private Game Reserve** is a unique and unforgettable safari destination situated in one of the top game-viewing destinations in the world. It offers an authentic camp experience without compromising comfort or luxury.

**Belmond Mount Nelson Hotel, Cape Town**, is a timeless garden estate in Cape Town’s vibrant cultural center at the foot of Table Mountain. Enjoy stylish accommodations with modern amenities in this world-renowned hotel.

**The Victoria Falls Hotel** features dramatic views looking out toward the incredible, thundering Victoria Falls and their rainbow-hued mist. Built in 1904 to house railway workers, it has transformed into one of the Leading Hotels of the World.

**Victoria Falls, Zimbabwe**

Walk the trail along the edge of thundering Victoria Falls, a UNESCO World Heritage site, one of the Seven Natural Wonders of the World and among the largest waterfalls on Earth. Here, the Zambezi River suddenly plummets into a 355-foot gorge, creating frothy rapids and vaulting a rainbow-hued mist almost 1000 feet into the air; though named for Queen Victoria by its first European witness, the falls’ local name, Mosi-oa-Tunya—“the smoke that thunders”—better captures the essence of this breathtaking cascade. See the Victoria Falls Bridge, an engineering marvel designed and constructed in England and reassembled over the Zambezi River gorge—all in only five years.
The exclusively chartered, Five-Star Zambezi Queen is a specially designed, stylish “floating lodge” built to offer sophistication along the Chobe River, one of the most remote locations on Earth. This world-class, unique African river safari offers remarkable opportunities for unobstructed viewing of wildlife and river vistas, whether from the comfort of your bedside or from the classic and contemporary lounge, bar or open-air deck with plunge pool.

Each of the 14 tastefully appointed, air-conditioned, spacious Staterooms (from 211 to 340 square feet) features expansive sliding glass doors that open onto a private balcony, one queen bed or two twin beds and private bathroom with shower.

Regional cuisine is prepared by the South African-trained culinary staff with local ingredients and international flair; the spacious dining room has windows on three sides for optimal game viewing as animals gather at the water’s edge. Onboard meals include early-risers’ coffee, buffet breakfast, lunch and three-course dinner. Complimentary wine and beer are served with lunch and dinner.

The environmentally sensitive Zambezi Queen meets inland water safety standards and is specially designed to prevent damage to the riverbed. It is fuel-efficient with low-emission generators and features solar-heated hot water and an onboard water purification system. There is no doctor on board the ship.

Step back in time to the most pivotal moments in South Africa’s anti-apartheid movement and Nelson Mandela’s “Long Walk to Freedom” with inspiring visits that reveal the historic, 20th-century milestones that culminated in the momentous inauguration of South Africa’s first black president and stimulated the most progressive economic, social, political and educational prosperity the country has ever seen.

In Rivonia, tour Liliesleaf Farm, a key meeting place for members of the African National Congress (ANC) and the liberation movement in the early 1960s. Specially arranged guest speaker Nicholas Wolpe will discuss his role as founder and CEO of the Liliesleaf Farm Trust. Follow in Mandela’s footsteps through Soweto, visiting his former home on renowned Vilakazi Street, and explore UNESCO World Heritage-designated Robben Island, the isolated former outpost for political prisoners off the coast of Cape Town. Stand at the Union Buildings in Pretoria, site of Mandela’s historic 1994 inauguration following South Africa’s first-ever multiracial democratic general election.

On April 27, 1995, the first commemoration of Freedom Day—a public holiday celebrating the anniversary of the democratic election—President Mandela addressed the people of South Africa with considerable optimism about the “past from which we come as a nation; the great possibilities that we now have; and the bright future that beckons us”—a legacy and bright future that thrives in South Africa today.

Neighbors in Cape Town’s Bo-Kaap township take great pride in expressing their individuality through their vividly painted homes.
