Important Information:		
Application Deadline: April 14th, 2014		
Send Applications to: Paint the Palouse P.O Box 442010 Moscow, ID 83844 Fax: 208-885-6606	Questions Comments or Concerns Please contact: Jill Powell (208)885-6571 jpowell@uidaho.edu	Where did you get this application?

Authorization and Submission	
I verify that the above information is accurate to the best of my knowledge. I understand that Paint the Palouse is a student sponsored event coordinated by University Housing, and not a professional paint company. I agree to meet with event coordinators to decide paint colors, inspect exterior of house, and sign the official agreement at a later date.	
Signature of applicant:	Date:

Dear Potential Applicant:

It is the time of year again to start thinking about *Paint the Palouse*. This community service project has become a tradition for the University of Idaho and Moscow community for over 20 years. Each year students from the University of Idaho and Residence Hall Association, come together to paint homes in the Palouse community.

This year, the painting day has been set for September 20th, 2014. With the aid of local businesses and the time and effort of student volunteers, we hope to make *Paint the Palouse* a success in 2014.

On the reverse side of this letter is an application for those interested in applying to have their home painted during *Paint the Palouse*. **Members of the community who lack the financial or physical means to paint their own homes are encouraged to apply today!** Our goal is to help as many people as possible this year with the resources available to us.

Applications are due by April 14th, 2014. They can be mailed to the address listed above, faxed or dropped off at the University Housing main office on the second floor of the Wallace Residence Center on Sixth Street on the University Campus. After all applications are received, each homeowner will be contacted by the *Paint the Palouse* Committee to discuss the possibility of having their home painted in the fall.

If you have any further questions about *Paint the Palouse*, please feel free to contact me using the information listed at the top of this page.

Thank you for the opportunity to allow the students from the University of Idaho to participate in this community service project. We appreciate all the Palouse has to offer and the ability of *Paint the Palouse* to give back to the community.

Sincerely,

Brett Kohring
