FALL EVENTS 2013

AUGUST

FREECYCLE
Wednesday, August 28th
8:00am - 12:00 pm
Theophilus Tower Lawn
U-Idaho volunteers collected items such as clothes, microwaves, refrigerators, and other apartment supplies from students moving out of the dorms. All the items will be set out on tables for students to collect for free!

SEPTEMBER

MINI GRANT FORUM
Thursday, September 5th
4:00 pm - 6:30 pm
Commons Crest Room (4th Floor)
Have an idea for the next big project? We award up to $19,000 in grant money each year to students, staff and faculty who want to make permanent, sustainable change on campus and in Idaho communities. Check out uidaho.edu/sustainability for more info!

GREAT AMERICAN RACE
Saturday, September 7th
Starts at 12pm
Shattuck Amphitheater
Come celebrate the Environmental Science Programs 20 Year Anniversary! Compete for prizes and bragging rights! As a team or individual, race around UI/Moscow in a competition with other teams, completing mental and physical challenges at multiple stations along the way.

EVOLVE: INK & ELECTRONICS RECYCLING
Thursday, September 12th
Moscow Campus
Drop off your depleted ink and toner cartridges, used cell phones, and other small electronics at the Commons, Administration and 17 other locations on campus. Items collected are remanufactured or recycled – keeping millions of pounds of resources out of landfills each year. Proceeds support Sustainability Center activities. For more information contact uisc-recycling@uidaho.edu.

LAUNCH OF UISC'S THINK TANK
Tuesday, September 17th
4:00 pm - 6:00 pm
Commons Horizon Room
We're looking for a few students to join a student-led "Think Tank". We'll be talking food and taking action to strengthen campus food systems. Email uisc@uidaho.edu for more information.

BIKE FIX
Thursday, September 19th
11:00 am - 3:00 pm
Outside Commons Pavillion
Get your bike fixed and learn how to do maintenance and repairs from professional bike mechanics! Best of all, it's all free!

MINI GRANT WORKSHOP
Thursday, September 19th
4:00 pm - 6:30 pm
Commons Crest Room (4th Floor)
Attendance is required for all participants submitting UISC/OCP grant proposal. Check out uidaho.edu/sustainability for more info.

FOOD SURVEY
September 30th
We'd like to know what students think about the food you eat on campus. Coming to the UISC website this fall! Take the survey online at uidaho.edu/sustainability.

OCTOBER

GREEN LUNCHES
Wednesday, October 9th
12:00 pm - 1:30 pm
Commons Auora Room
Learn about sustainable food and agriculture practices. Bring your appetite!

FOOD FILM SERIES
Tuesday, October 15th
7:00 pm - 9:00 pm
Borah Theater
The Sustainability Center wants to lean more about food systems! Join us in exploring this topic from food production, to nutrition to new sustainable farming techniques. Films to be announced soon.

NATIONAL FOOD DAY
Thursday, October 24th
6:00 pm - 10:00 pm
College of Law Courtroom
Join us to learn about local food systems and discover how you can support sustainable food on the Palouse.

NOVEMBER

GREEN LUNCHES
Wednesday, November 13th
12:00 pm - 1:30 pm
Commons Auora Room
Learn about sustainable food and agriculture practices. Bring your appetite!

FOOD FILM SERIES
Tuesday, November 19th
7:00 pm - 9:00 pm
Borah Theater
The Sustainability Center wants to lean more about food systems! Join us in exploring this topic from food production, to nutrition to new sustainable farming techniques. Films to be announced.

DECEMBER

GOOD EATINGS
Tuesday, December 3rd
11:00 am - 1:30 pm
Commons Clearwater (1st Floor)
Take a quick study break and learn how to make sustainable and delicious snacks! The best part is that the food is free!
