

# Marlon Monkey

# Borrows Bananas

## Directions for Making a Saving Jar:

### Materials Needed:

- 1 Jar per child. (Plastic is best for children under 8 years old)
- 1 Lid with a coin slot in it per child. (Slot is already cut)
- 1 Pair of Scissors per child. (Child safe for under 8 years old)
- Either Tape or Glue (Whatever will stick best on the jars)
- Crayons or Markers
- 3 Worksheets per child.
  - Marlon Monkey Saving Worksheet
  - Saving Nuts Worksheet
  - Marlon Monkey Cutout Worksheet

### Instructions:

1. Have each child fill out the “Marlon Monkey Saving Worksheet.”
2. Give a jar to each child.
3. Cut out the picture of Marlon Monkey in the “Marlon Monkey Cutout Worksheet.”

4. Tape or Glue the cutout to the jar.

5. Cut out the Nuts from the "Saving Nuts Worksheet."

6. Have each child write some things that they might want to purchase in the future on the nuts.

7. Have each child put these nut cutouts into their jar.

8. Explain to the children that it is better to save the money they earn than spend it right away or borrow.
