SECTION 2. Money transferred shall be used for El Color de Nuestra Tierra which will include purchasing food and drinks

SECTION 3. This event will be open to all undergraduates at the University of Idaho.

SECTION 4. Proof of purchase shall be provided to the ASUI Senate and any unused funds shall be returned to the ASUI General Reserve.

SECTION 5. This bill shall be effective immediately upon approval of the ASUI Senate and the ASUI President.

STATEMENT OF INTENT

The purpose of this bill is aimed at increasing student turnout by providing refreshments and other conveniences. In previous years, this event has been attended by over 500 students. A contributing factor to this great turnout was the accessibility and presence of catering services. Due to budget shortfalls and other regulations that have affected the group's ability of providing authentic self-made food, this event risks the possibility of a low student turnout. This year's event aims at commemorating Hispanic Heritage Month by providing students with a cultural experience where diversity is displayed and embraced.

FISCAL IMPACT

$600 shall be drawn from the ASUI General Reserve.
