AREA OF EMPHASIS

Area of Emphasis: Students are required a complete an advisor-approved area of emphasis of 18 credits. Students select their area of emphasis at the end of their Sophomore year. Standard program emphasis areas are Design, Marketing/Merchandising, and Product Development, and students can select from the recommended courses listed here. Students may choose a related emphasis area by submitting a proposal to CTD Faculty clearly showing the relationship between Clothing, Textiles and Design and their proposed area of emphasis relative to the industry, career goals, and emerging opportunities. Other emphasis areas may include Costume Design, Advertising, Business, or International Studies. A double major or minor could also be used as long as the other content area is relative to Clothing, Textiles and Design.
