*Please provide a concise statement of your interest in graduate study and your reasons for applying to the University of Idaho. Also indicate any special considerations, such as previous employment or research experience. If you wish, you may copy and paste here the text from your Statement of Career Objectives that was submitted with your application to the graduate admissions office.

---

*Do you wish to be considered for a teaching assistantship (academic year appointment of 9 months)?

Yes No

Full time TA's receive $15,000 for a 9-month academic year for which they provide 20 hours of instructional support. Also, all other fees as well as out-of-state tuition are covered by the department.
