PROGRAM INFORMATION
The University of Idaho Outdoor Program is a non-profit service organization providing the university community with education and resources for wilderness-based, human-powered, and environmentally sound activities. We promote teamwork, leadership and growth through outdoor adventure experiences.

The Outdoor Program offers a wide variety of services and activities to the University community:
- Instructional Trips
- Cooperative Trips
- Rental Equipment
- Outdoor Information
- Resource Material
- Trip Planning Assistance
- Equipment Repair
- Ski & Snowboard Tuning

Cooperative trips are cost sharing. Participants supply their own food and own personal equipment through rental or purchase. Required pre-trip meetings are held to work out trip details. Listed fees are for transportation, group gear and instruction (if provided).

HOW TO PARTICIPATE
Registration for trips is taken in person at the Outdoor Program office located in the Student Recreation Center (SRC). Each posted trip lists specific information for that trip. Required pre-trip planning meetings are also indicated. Transportation and group equipment costs will be charged upon sign-up. Fees are non-refundable. Non-University of Idaho students may be charged an additional fee, which will be listed on sign-up sheets. Other activities are free or will have a cost listed.

FOR MORE INFORMATION
Sign-ups for trips and classes begin on January 10 at the Outdoor Program office in the SRC. Fees are due at sign-up and are non-refundable. Pre-trip meetings are held in the SRC.
