DISCOVER NEW SUBJECT GUIDES

Browse by subject area (nursing, history, etc.) to find the best resources for finding articles, books, and other sources. Librarians have selected the top databases in each area to save you time and make searching easier. To find the guides, select the Resources by Subject link on the main library page.

FIND BOOKS IN THE LIBRARY

- Go to www.isu.edu/library
- At the top of the page, find the Books & More tab (the box is labeled Search the Library catalog for books, films, and more.)
- Search for a book by:

TITLE Select Title from the drop-down menu and type the title into the search box. If the first word of the title is A, An, or The, omit it

AUTHOR Select Author from the drop-down menu and type the author's last name, then first name or initial into the search box

KEYWORD Select Keyword from the drop-down menu and type your keywords into the search box, connected with AND or OR

FIND eBooks

Check out our collection of over 110,000 eBooks.

- Go to <http://opac.isu.edu>
- Enter a quick search, keyword, author, title etc.
- Under Quick Limit, select eBook (no US documents)

You can also find eBooks when browsing the shelves in the Library. Look for the wooden blocks with QR codes.

Scan the code using a code reader on your phone or tablet (visit your device's app store for a free QR reader).

GROUP INSTRUCTION

Faculty, staff, and students can request group instruction to learn more about library services and how to use specific resources. These sessions can be as short as 15 minutes and as long as 2 hours.

Ask for help at (208) 282-7906 or at the Library
