Permanent 4-H Horse Identification and Health Record

This page is not an official Idaho Brand Document

Permanent 4-H Horse Identification

Be prepared to identify and prove that you own your horse. *Idaho Brand laws require a brand inspection when horses change ownership*. Insist on a brand inspection when you purchase a horse. The seller must prove ownership before a Brand Inspector will issue a Brand Inspection Certificate.

You may apply to any Idaho Brand Inspector for an *Ownership And Transportation Certificate* ("Lifetime"), which valid for the lifetime for the horse, as long as you own the horse. This "Lifetime" Certificate allows you to transport your horse to and from any other state.

Seasonal Certificates are also available. They allow you to transport your horse anywhere in Idaho or to and from a neighboring state (except Montana). Horses with your brand may be transported within Idaho by having your Idaho Brand Card with you. You must give a written permit to anyone who transports your horse when you are not present in the vehicle.

Your local Brand Inspector will help you with forms and information, or you may write or stop in to see the State Brand Inspector, 2118 Airport Way, Boise, Idaho 83706(telephone 208/334-2813).

Permanent Individual Animal Record

Complete one of these forms for each Breeding and/or Non-Market Project Animal. This permanent record can be added to each subsequent year and attached to your main 4-H Animal Record, thus eliminating additional writing. This record is NOT locked allowing you to cut and paste additional pages, as you need them and enabling you to more easily add to this record each year. Disregard the pages that do not apply to your project.
