**STALLS:** There are no stalls available at Alpine.

**HAY:** As we are camping in Wyoming on US Forest Service ground, certified weed free hay has to be used. You are not allowed to bring your own hay unless it is certified. We will have certified weed free hay available for purchase at camp. The price is set on delivery to camp. It varies but usually is around \$10.00 a bale; but the cost varies a little from year to year. Come prepared to pay for hay at check in. These bales are usually on the larger size and will generally feed one horse for the entire camp. Hay pellets are acceptable. We will not be initially bringing in more hay than is ordered. **Make sure you order what hay you will need.**

\_\_\_\_\_ Bales of hay you will need to purchase. (Only count hay you will need for **your** horse. Do not count hay for a family member or friend. They need to order their own hay.)

**LODGING:** Cabins are available for families or groups. Some choose to bring tents or RV's. Each cabin must have at least one adult present. Sleeping arrangements will be made at check in.

**Class Fees:** Some craft type classes will require a fee for the projects made or purchased. Costs vary depending on the project but \$ 5 to \$10 per class should be sufficient. This will be paid during class. Please plan on a little cash for these projects but don't send much extra.
