GeoTek Inc. is currently seeking Civil Engineering graduates and undergraduates to join our team. GeoTek is a multi faceted company with several opportunities for the right candidate. GeoTek prides itself on mentoring new graduates. Because we believe in helping others be the best they can be, come work with the best the industry has to offer and get your career started off on the right track.

Positions currently available are graduate civil engineers for our Las Vegas, Nevada office and summertime employees to perform field and laboratory materials testing in Coeur d'Alene and Boise.

Incorporated in 1997, GeoTek is a full-service consulting firm currently specializing in all your environmental and geotechnical needs, including construction materials testing and inspection services. These services are provided by a diverse team of professionals who are passionate about their careers and who carry a specialized knowledge of their profession. GeoTek is committed to the principles of client service and sound professional advice. We pay attention to these cost-effective basic values, and pride ourselves on doing high quality work that presents real value to its clients. We approach every project with a team concept in mind, and our reputation for high quality and timely service has established us as an industry leader. GeoTek's staff is a team of professionals that include but are not limited to; civil/geotechnical engineers, geologists, geophysicists, and environmental scientists.

This position will involve a wide range of work. Successful applicants will be required to learn field inspections, drilling, field and laboratory testing, and office work and must have a suitable vehicle for doing field work. Rental compensation and mileage cost reimbursements are provided for vehicles. If interested please forward all resumes to Kyle Kauffman at kkauffman@geotekusa.com or fax to (702)974-0654.

GeoTek is an equal opportunity employer and all qualified applicants will receive consideration without discrimination based on sex, marital status, race, color, age, creed, national origin, sexual orientation, military reserve membership, ancestry, religion, height, weight, use of guide or support animal because of blindness, deafness or physical handicap, or the presence of disabilities.
