This professional development opportunity focused on improving instruction is being offered for administrators and staff from schools and districts requesting assistance with their school improvement efforts. Districts and schools in Needs Improvement status are invited to apply for participation in this training, which spans 4 training days during the 2009 - 2010 school year, as well as on-site support from an implementation coach. Participating sites will send a team of 4 - 5 exemplary educational leaders (1 district administrator, the building principal, and 2 - 3 teacher leaders/coaches) to attend this series of trainings. Participants must commit to attending all four sessions in their region. These trainings will focus on:

- ◆ Effective Teaming
- ◆ Instructional Planning & Delivery
- ◆ Classroom Culture
- ◆ Collegial Learning

To download the participant application, visit <http://csi.boisestate.edu/Improvement/ILT.html>. Applications must be received by 5:00 p.m. on [September 10, 2009](#). Acceptance notification will be delivered by September 14, 2009.

More School Improvement resources can be found on the School Improvement Technical Assistance Office website at <http://csi.boisestate.edu/improvement.htm>.
