

Bonner County 4-H Market Animal Quality Assurance Affidavit and County of Origin Labeling (COOL)

By signing this form, all parties agree to read, follow and support both county and state 4-H rules, and understand that I will not be paid for any pounds over 300 pounds for my market swine. This form can also be used to consign my market animal to the Bonner County Fair Market Animal sale.

As a producer of a market animal, which is ultimately intended for human consumption, I understand that I have a tremendous responsibility to insure that the animal(s) I raise, are managed in a safe and wholesome manner. By offering this animal for sale, I guarantee that all applicable laws have been followed to insure a wholesome product for human use.

Member Checklist:

The following checklist has been developed to assist you in managing your animal(s) to insure a wholesome product. While this checklist can't cover every situation, it highlights some of the more common mistakes young producers might make. **You are responsible to insure that:**

- _____ All medicated feeds or feed additives were discontinued the required number of days prior to slaughter, as state on the label.
- _____ No feed containing mammalian meat and/or bone meal was fed at any time.
- _____ Withdrawal times for any medications, wormers, etc. were followed.
- _____ No product was utilized in raising or exhibiting this animal that was not specifically labeled for use with this species; approved products were only used according to the manufacturer's label directions.

I certify that as the owner of this animal, it was not fed any "prohibited" mammalian meat and/or bone meal (per FDA regulation CFR Title 21), and this animal is free from drug and chemical residues.

COOL: As an affidavit is deemed by USDA as an official record of Country of Origin, I attest through first-hand knowledge, normal business records, or producer affidavit(s) that this animal was born in (*list country*) _____ and raised in (*list country*) _____.
