Dear JOE TAXPAYER:

Your State Return Has Been Accepted!

What this means: Congratulations! Your 2013 Idaho Personal return has been accepted. There’s nothing else you need to do.

If you’re expecting a refund, you can check your refund status here.

How to get copies of your tax returns for your records:

You can print copies of your tax returns in TurboTax any time. Just go back to TurboTax, confirm your status and continue to the Print/Save for Your Records screen.

Note: If you e-filed a federal return, you will receive a separate status email about that return.

We recommend keeping copies of all status emails for your records.

Thanks for using TurboTax!
