Inspiring Futures Campaign Information

Join the University of Idaho employees and inspire students today through the Faculty and Staff Campaign. Each week until June 30, names of faculty and staff donors in FY13 are automatically entered into a drawing for a prize. Faculty and staff donors understand how participating in the campaign has made a difference in the lives of the university's students. Faculty and staff are encouraged to make a gift today — towards any U-Idaho fund they're passionate about. It is not the dollar amount that is important, but the participation that matters. Faculty and staff may also choose to sign up for [payroll deduction](#) or make a onetime gift online [here](#). State employees are now eligible for the Idaho tax credit for their donation. Thank you for all of your hard work this year and please make a gift today.
