

CURRICULUM VITAE

University of Idaho

NAME: Force, Jo Ellen

DATE: August 23, 2012

RANK OR TITLE: Department Head and Professor of Forest Resources

DEPARTMENT: Forest Resources

OFFICE LOCATION AND CAMPUS ZIP: FWR 204A, 1133

OFFICE PHONE: (208) 885-7311

EMAIL: joellen@uidaho.edu

DATE OF FIRST EMPLOYMENT AT UI: January 1, 1979

FAX: (208) 885-6465

DATE OF TENURE: August 1985

DATE OF PRESENT RANK OR TITLE: July 1, 1999, Department Head
August 1, 1992, Professor

EDUCATION BEYOND HIGH SCHOOL:

Degrees:

Ph.D. (systems engineering/analysis), Ohio State University, Columbus, Ohio

M.S. (natural resource management), Ohio State University, Columbus, Ohio

B.S. (chemistry, math, education), Iowa State University, Ames, Iowa

EXPERIENCE:

Teaching, Extension and Research Appointments:

Professor, College of Forestry, Wildlife and Range Sciences, University of Idaho. In 2000 became College of Natural Resources, 1992-present

Affiliate Professor, Tropical Agriculture Research and Higher Education Center (CATIE), Turrialba, Costa Rica, 2001-present

Adjunct Professor, Environmental Sciences Program, University of Idaho

Associate Professor, College of Forestry, Wildlife and Range Sciences, University of Idaho, 1985-92

Assistant Professor, College of Forestry, Wildlife and Range Sciences, University of Idaho, 1979-85

Graduate Research Associate, Atmospheric Sciences Program, Ohio State University, working on cooperative aid study USDA-FS on research planning for air pollution impacts on forest resources, 1976-78

Graduate Research Associate working on grant to conduct community education workshops on air quality in Steubenville, Ohio-Weirton, West Virginia area. This was with the Atmospheric Sciences Program, Ohio State University, 1975

Teaching Assistant, Ohio State University, for introductory natural resources management course and environmental education workshop, 1972-73

Public School Teaching in Minneapolis, Minnesota and Columbus, Ohio, 1966-71

Academic Administrative Appointments:

Department Head of Forest, Rangeland, and Fire Sciences (formerly Forest Resources), University of Idaho. Administer the largest academic department in the College of Natural Resources, which includes 30 faculty members, approximately 25 staff, 250 undergraduate students and approximately 80 graduate students, Interim Head, December 1, 1996-June 30, 1999; July 1, 1999-present.

Co-Director, CNR Ecology and Conservation Biology Program, 2005-06

Steering Committee for the UI/CATIE NSF/IGERT Program, 2002-present

Acting Department Head for 1-2 week periods several times throughout the year, 1988.

Graduate Administrative Associate, Atmospheric Sciences Program, Ohio State University. Development of materials for University Program Review, 1978.

Academic Counselor, University College and School of Natural Resources, Ohio State University.
Academic Advising and maintenance of academic records, 1972-74.

Non Academic Employment including Armed Forces:

Visiting scientist on the USDA Forest Service Policy Analysis Staff, Washington, D.C., (Fall semester sabbatical), 1995.

Consultant, Social Indicators for Ecosystem Management for the Social Science Team, Interior Columbia Basin Ecosystem Management Project, USDA Forest Service, Walla Walla, Washington, 1994-95.

Consultant, Data Analysis of SAF Survey on Women and Minorities, 1985.

Summer Consultant, Land Use Planning Division, Ohio Department of Natural Resources, Columbus, Ohio, 1974.

TEACHING ACCOMPLISHMENTS:

Areas of Specialization:

Forest policy, forest social science, public involvement, community forestry.

Courses Taught:

FOR 102, Introduction to Forest Management, 1998-2011

FOR 307, Biometry, 1979-81

FOR 403/503, International Land Use Planning, 1981-94

FOR 470, Interdisciplinary Natural Resource Planning, 1979-98, 1999-2000

FOR 484, Forest Policy and Administration, 1986-2010

FOR 494, Models for Resource Decision-Making, 1979-81

FOR 501, Seminar (IGERT), 2002-04

FOR 504, Community Forestry, 1987-95; alt years

FOR 504, Integrated Research (IGERT), 2002-04, 2010-2012

FOR 584, Natural Resource Policy Development, 1996-2004; on-line course 2012

NR 101, Exploring Natural Resources, 2000-03, 2006

FOR/RNGE 200, Seminar for Ecology and Conservation Biology majors, 2005

Students Advised:

Undergraduate Students:

Regularly advise 10-15. As Department Head, I do numerous informal advising for prospective students/parents for incoming freshmen, transfer students and graduate students.

Graduate Students:

Jarod Blades, Ph.D., 2010-present

Max Nielsen-Pincus, Ph.D., 2003-2007

Hanson, Thor, Ph.D., 2006 (assumed responsibility after death of his major professor)

Joshua Berning, Ph.D., 2003-04; transferred to WSU Economics

Michael Whiteman, Ph.D., 1993

Devon Comstock, MNR, 2011-present

Bonnie Freestone-Peters, MNR, 2011-present

Anne Moscrip, MNR, 2011-present

Andrew Reuters, MNR, 2011-present

Breanna Schuller, MNR, 2009-present

Charlotte Milling, MNR, 2009-2011

Sara Meloy, MNR, 2010

Gina Bonaminio, MNR, 2009-2010

Jason Story, MNR, 2008-2010
Mary Byrne, MNR, 2008-2009
Lee Spencer, MNR, 2008-2009

Brian Riley, M.S. non-thesis, 2003
Teresa Kubo, M.S., 2002
David Morgan, M.S., 2002
Undral Batsukh, M.S., 2002
Tamara Parkinson, M.S., 2001
Nancy Hightower, M.S., 2001
Greg Fizzell, M.S., 1999
Jean Haley, M.S. non-thesis, 1996
Maylee Han, M.S. non-thesis, 1996
Christa Stumpf, M.S., 1996
Randi Movich, M.S., 1996
Jeff Fields, M.S., 1995
Paul Graesser, M.S., 1995
Kadia Traore, M.S. non-thesis, 1995
Leanne Marten, M.S., 1992
Mamadou Gakou, M.S., 1992
Babou Ndour, M.S., 1991
Jeff McCusker, M.S., 1991
Abdoulaye Dagamaissa, M.S., 1990
William Grigsby, M.S., 1990
Margaret Mitchell, M.S. non-thesis, 1989
Bertrand Zida, M.S., 1989
Prosper Sawadogo, M.S., 1988
Moussa Diallo, M.S., 1988
Donald Ellis, non-thesis, 1986
Susan Bernatas, M.S., 1986
Kevin Williams, M.S., 1985
Joseph Carbone, M.S., 1985
Gregory Miller, M.S. non-thesis, 1983
Sharon Dolezal, M.S., 1982

Served on graduate committee:

Peter Zion Klos, Ph.D. 2012-present
Kofi Akamani, Ph.D., 2008-2011
Tom Geisen, Ph.D., 2006-2007
Monica Zimmerman, M.S., 2005-2012
Erik Nielsen, Ph.D., 1999-2006
Megan Slothower, M.S., 2003-04
Kevin Gergeley, Ph.D., 2002-04
Patricia Cohn, M.S., 2002 (at Washington State University)
Willibald Kerschbaumsteiner, M.S., 2002
Jean McKendry, Ph.D. 1998 (at Clark University, Worcester, Massachusetts)
Christopher Hoffman, 1998, M.S.
Approximately 40 other graduate committees between 1980-97

Courses Developed:

Except for FOR 494 and FOR 307 which I taught the first 3 years I was on the faculty, I have developed all the other courses I have taught. NR 101, FOR 470 and the IGERT courses have been team taught and team developed.

Non-credit Classes, Workshops, Seminars, Invited Lectures, etc.:

Have been involved in numerous workshops (see under Outreach Service). Have usually presented 1-4 invited lectures per semester in various classes and seminars in the department and college throughout my career.

Honors and Awards in the area of teaching:

Outstanding Faculty Member of the College of Forestry, Wildlife and Range Sciences, 1984

- Served on panel at annual NSF/IGERT Annual Meeting for IGERT PIs. Washington, DC. May 14, 2007.
- “The structure of human ecosystems,” Poster presentation on at the XXII International Union of Forestry Research Organizations World Congress, held in Brisbane, Australia, August 8-13, 2005
- Organized and moderated panel on “Outside Perspectives” for USDA Forest Service, Centennial Congress, Washington, DC, January 3-6, 2005.
- Member of IGERT faculty and student panel on the challenge of social scientists working with biophysical scientists in interdisciplinary research settings, International Symposium for Society and Resource Management, Keystone, Colorado, June 2-5, 2004.

- “An integrative model of graduate education in biodiversity conservation and sustainable production in fragmented landscapes,” at the Fifth Biennial Conference on University Education in Natural Resources, Flagstaff, Arizona, March 14-17, 2004.
- “The Human Ecosystem Model and Systems Concepts,” invited seminar, graduate seminar series in Department of Industrial and Systems Engineering, Ohio State University, February 27, 2004.
- “How should educational institutions respond?”, invited panel presentation at the Renewable Natural Resources Foundation/AAAS Conference on Personnel Trends, Education Policy, and Evolving Roles of Federal and State Natural Resources Agencies, Washington, DC, October 28-29, 2003.
- “Changing accreditation standards”, invited presentation at the New England Society of American Foresters 83rd Annual Meeting, Burlington, Vermont, March 17-20, 2003.
- “Responding to changing needs: rethinking undergraduate education for forestry professionals”, invited panel presentation at the University of Vermont Sustainable Forestry Forum: A Conversation on Sustainable Forestry Education in the 21st Century, Burlington, Vermont, March 16-17, 2003.
- “Experiences with an integrated capstone course in natural resources problem-solving”, presented as a panel with Drs. Waits and McLaughlin and Jeff Richards, student, at the Natural Resources Education Conference in Columbia, Missouri, March 26-28, 2000.
- “Life experiences that influence participation in environmental issues: A case study of forest activists in the Clearwater region, Idaho”, presented at the 8th International Symposium on Society and Resource Management, Bellingham, Washington, June 21, 2000.
- “Social values and forests: The disconnect between what I say and what I do”, presented at the 8th International Symposium on Society and Resource Management, Bellingham, Washington, June 20, 2000.
- “How Social Values Have Affected Forest Policy,” presented at the 1999 National Convention of the Society of American Foresters held in Portland, Oregon, September 11-15, 1999. This presentation was also invited to be and was presented at the “Interface between forest science and policy making” working group session of the XXI International Union of Forestry Research Organizations World Congress held in Kuala Lumpur, Malaysia on August 7, 2000.
- “Social Indicators for Ecosystem Management in the Upper Columbia River Basin,” presented at the Sixth International Symposium on Society and Resource Management held at Pennsylvania State University, State College, Pennsylvania, May 17-20, 1996.
- “Engines of Change in Resource-Dependent Communities,” presented at the Sixth International Symposium on Society and Resource Management held at Pennsylvania State University, State College, Pennsylvania, May 17-20, 1996.
- “Private Property Rights: Issues Facing the SAF,” presented at the Inland Empire Society of American Foresters Annual Meeting, Moscow, Idaho, March 2, 1996.
- Spoke on a panel on the challenge of conflicting laws in national forest management at the Seventh American Forest Congress, Washington, D.C., February 22, 1996.
- Spoke on a panel for the future of forestry education on some of the challenges of CFWR integrated curriculum at the Technology and Futures Working Group at the Society of American Foresters National Convention, Portland, Maine, October 1995.

- “Engines of Change in Resource-Development Communities,” presented at the Society of American Foresters National Convention, Portland, Maine, October 1995.
- “Monitoring Social Change at the County Level,” presented at the Symposium of “The Rural Town: Designing for Growth and Sustainability,” Coeur d’Alene, Idaho, June 1-2, 1995.
- “Social Indicators for Ecosystem Management in the Upper Columbia River Basin,” Symposium on the Social Implications of Ecosystem Management, Spokane, Washington, April 29, 1995.
- “Social Indicators for Ecosystem Management,” presented at the Human Dimensions in Ecosystem Management Workshop, Boise National Forest, March 2, 1995.
- “Understanding Social Change in Resource-Dependent Communities,” presented at the Forestry and the Environment: Economic Perspectives II Conference, Banff Springs Hotel, Alberta, Canada, October 12-15, 1994.
- “Understanding Social Change in Resource-Dependent Communities: Part II,” The Fifth International Symposium on Society and Resource Management, Colorado State University, Fort Collins, Colorado, June 7-10, 1994.
- “Forestry Education After Denver: Where Do We Go From Here to Teach Ethics in a Forestry Curriculum?” presented at the Education and Communication Working Group Session at the SAF National Convention held at Richmond, Virginia, October 25-28, 1992.
- “Timber, History and Social Change: A Quantitative Case Study of a Timber-Dependent Community,” presented at the 4th North American Symposium on Society and Resource Management, held at the University of Wisconsin-Madison, Madison, Wisconsin, May 17-20, 1992.
- “Meeting the Needs for Educating Planners in Forestry -- Today and the Future,” Technology Assessment and Future Analysis Working Group Session, Society of American Foresters National Convention, San Francisco, California, August 5, 1991 (invited).
- “Teaching Professional Ethics to Resource Managers,” Western Forestry and Conservation Association Conference, Victoria, British Columbia, December 6, 1991 (invited).
- “Encouraging People’s Participation in Agroforestry Using the GRAAP Technique in Burkina Faso and Mali” (with Prosper Sawadogo and Abdoulaye Dagamaissa), paper presented at the Society of American Foresters National Convention, Washington, D.C., July 31, 1990, and the International Union of Forestry Research Organizations XIX World Congress, Montreal, Canada, August 5-11, 1990.
- “The Use of Spatial Analysis to Identify Areas to Involve People in Native Tree Planting in Mali” (with Moussa Diallo), presented at the Society of American Foresters National Convention, Washington, D.C., July 31, 1990, and the International Union of Forestry Research Organizations XIX World Congress, Montreal, Canada, August 5-11, 1990.
- “Cost-Benefit Analysis for Fuelwood Project Investment in Burkina Faso: The Case of Ouagadougou” (with Bertrand Zida), presented at the Society of American Foresters National Convention, Washington, D.C., July 31, 1990, and the International Union of Forestry Research Organizations XIX World Congress, Montreal, Canada, August 5-11, 1990.
- “Silvicultural Systems for the 1990’s: Perspectives from Outside the Forest Service,” Idaho Panhandle National Forests Workshop, Post Falls, Idaho, March 29, 1989.

- “A Systems Approach to Research Planning,” The Central Ohio Chapter of the Society for General Systems Research, November 14, 1978.
- “Issues to Consider When Planning a Research Strategy to Assess the Impact of Air Pollutants on Forest Ecosystems,” IX Air Pollution Workshop, Virginia Polytechnic Institute & State College, Blacksburg, Virginia, May 2-5, 1977.

Grants and Contracts Awarded:

- Evaluating resilience of ecological and social systems in changing landscapes: a doctoral research and education program in Idaho and Costa Rica. 2009-2014. Co-PI on National Science Foundation IGERT grant, \$3.2 million.
- Modeling trends in forest management, exurban development, and biodiversity conservation under alternate policy portfolios in northern Idaho. Co-PI with Drs. Penny Morgan and Lisette Waits, McIntire-Stennis, College of Natural Resources, University of Idaho, \$74,000, 2004-06.

Ecosystem management in tropical and temperate regions: integrating education in sustainable production and biodiversity conservation. 2001-08. Co-PI on National Science Foundation IGERT grant, initially \$2,646,237; another several hundred thousand each year as supplement to meet NSF required increases in fellowship stipends.

Public Involvement in National Park Service Activities, 1999-2001, NPS Social Science Program, \$20,000.

Women's Participation in Community Forestry in Nepal, 1994-96, Ford Foundation, New Delhi, India, \$33,000 (with Jeff Fields).

Workshop for Tribal Leaders, USDA Forest Service and Bureau of Indian Affairs, 1994, \$3,718.

Policy Analysis of Ecosystem Management and Fish and Wildlife Indicators, USDA Forest Service, Boise National Forest, 1993-95, \$19,000 (with Kelly Rogers).

Development of a Profile of International Programs of NAPFSC Member Schools, USDA Forestry Support Program, 1993-94, \$35,847.

Land Use Planning and Natural Resource Management Six-Week Workshop. USDA Office of International Cooperation and Development, International Training Division. 1981, \$17,000; 1982, \$37,030; 1983, \$39,743; 1985, \$42,330; 1986, \$29,447; 1987, \$44,984; 1988, \$46,646; 1989, \$37,452; 1990, \$39,250; 1991, \$29,590; 1992, \$29,590; 1993, \$18,288; 1994, \$31,370. Total ~\$450,000

Socioeconomic Research on Resource-Dependent Communities, Pacific Northwest Forest and Range Experiment Station, USDA Forest Service, 1991-96, \$75,500.

Forestry and Global Climate Change, USAID/Bureau of Science and Technology, 1991, \$21,153.

Scholarships for International Participants in Workshop, USDA/OICD/International Forestry Tropical Forestry Program, 1990, \$15,000; 1993, \$28,150.

IDL Forest Landowner Survey. Idaho Department of Lands (with Harry Lee), 1986-87, \$11,600; 1987-89, \$21,952.

Development of a Profile of International Programs of NAPFSC Member Schools, USDA/OICD/Forestry Support Program, 1989-90, \$10,000.

Community Stability in Timber-Dependent Communities: A Longitudinal Study in North Idaho. McIntire-Stennis support to develop major proposal (with Gary E. Machlis), 1986-87, \$4,603; 1987-88, \$13,446; 1988-89, \$9,000; 1990, \$4,000.

Indian Faculty Associates Program. Winrock International/USAID, 1986-87, \$19,864; 1987-88, \$39,454; 1988-89, \$20,914.

Small Travel Grant, University of Idaho, 1987, \$600.

Facilitation of Forest Service Public Involvement Meeting. USDA Forest Service, Nezperce National Forest (with Bill McLaughlin), 1985, \$3,977.

Between 1985 and 1995, I served as Academic Advisor or Major Professor for eight international students on scholarships from USAID and FAO that have totaled \$250,000 in funds handled by the University of Idaho.

The Relationship of Site Characteristics and Fuelwood Collecting Following Timber Harvest. USDA Forest Service, Idaho Panhandle National Forest, 1984-85, \$9,976; 1985-86, \$4,467.

The Environmental Assessment as a Natural Resource Policy Implementing Tool. McIntire-Stennis Project Funding, Forest, Wildlife and Range Experiment Station, University of Idaho. 1983-84, \$8,275; 1984-85, \$8,275.

An Assessment of the Use of Wood for Residential Heating in Idaho. Forest, Wildlife and Range Experiment Station, College of Forestry, Wildlife, and Range Sciences, University of Idaho. \$15,282.

An Evaluation of the User's Role in Wood Energy for Residential Heating in Idaho. Idaho Department of Water Resources, 1984-85, \$16,000.

Extension Forester Training in Community Participation Techniques, Madhya Pradesh, India. Women in Development Fellowship Program, Consortium for International Development, Tucson, Arizona. Travel Grant. 1984, \$3,750.

Firewood Use on National Forests in the Western United States. FY 1984 Seed Grants, Research Council, University of Idaho. \$3,000.

Development of International Land Use Planning Bibliography to Add an International Component to FOR 470 Course. University of Idaho Strengthening Grant Program. 1981, \$650.

Development and Planning of a Technical Short Course in Land Use Planning and Natural Resource Management. USDA Office of International Cooperation and Development, International Training Division. 1981, \$8,000.

A Generalized Model for Insecticide Efficacy Against Forest Defoliators. Pacific Southwest Forest and Range Experiment Station, USDA Forest Service (with M. W. Stock). 1981, \$5,000.

Conference on Women in International Natural Resources (with M. W. Stock and D. Ehrenreich). USAID Women in Development Program. 1981, \$16,364.

A Probability Model of Insect Efficacy for Western Spruce Budworm and Douglas-fir Tussock Moth. Intermountain Forest and Range Experiment Station, USDA Forest Service (with M. W. Stock). 1980, \$2,600; 1981, \$1,500.

Honors and Awards:

Interdisciplinary or Collaborative Efforts Excellence Award with IGERT Co-PI team (\$9000 Award for the six team members). University of Idaho, 2011.

Outstanding Researcher Award (with G. Machlis), College of Forestry, Wildlife, and Range Sciences, 1993
Burlington Northern Foundation Faculty Achievement Award, \$1,500, one of three given at the University of Idaho, 1987
