

CURRICULUM VITAE

**University of Idaho
Moscow, Idaho 83844-1136**

NAME: Reese, Kerry Paul

DATE: May 24, 2012

RANK OR TITLE: Professor of Wildlife Resources and Head, Department of Fish and Wildlife Resources

DEPARTMENT: Fish and Wildlife Resources

OFFICE LOCATION: CNR Building, 104

OFFICE PHONE: (208) 885-6435

DATE OF FIRST EMPLOYMENT AT UI: August 1983

DATE OF TENURE: July 1, 1989

DATE OF PRESENT RANK OR TITLE: August 1, 1995

EDUCATION BEYOND HIGH SCHOOL:

Ph.D., Wildlife Science, 1983, Utah State University
M.S., Wildlife Biology, 1976, Clemson University
B.S., Biology, 1973, Indiana University of Pennsylvania

EXPERIENCE:

In Educational Institutions Since Receipt of Bachelor's Degree:

Administration:

Head, Department of Fish and Wildlife Resources, 1 June 2004 - present
and Ecology and Conservation Biology, 1 July 2010 - present
Interim Department Head, 1 July 2001 – 30 June 2002.

Teaching and Research:

1995-present, Professor of Wildlife Resources, University of Idaho
1989-95, Associate Professor of Wildlife Resources, University of Idaho
1984-89, Assistant Professor of Wildlife Resources, University of Idaho
1983-84, Visiting Assistant Professor of Wildlife Resources, University of Idaho
May-June 1983, Research Associate, Department of Fisheries and Wildlife, Utah State University
1982-83, Instructor, Department of Fisheries and Wildlife, Utah State University
1977-82, Graduate Research and Teaching Assistant, Department of Wildlife Science, Utah State University
1973-76, Graduate Research Assistant, Depart. of Entomology and Economic Zoology, Clemson University
Courses Taught:

NR 102 Introduction to Natural Resources
Wlf 101 Introduction to Wildlife Professions
Wlf 204 Introduction to Natural Resources
Wlf 316 Wildlife Ecology II
Wlf 314 Wildlife Ecology
Wlf 390 Principles of Fish and Wildlife Ecology
Wlf 445 Nongame Management
Wlf 448 Fish and Wildlife Population Ecology
Wlf 492 Wildlife Management
Wlf 495 Wildlife Seminar
Wlf 501 Graduate Seminar
Wlf 542 Waterfowl Management
Wlf 546 Upland Game Ecology

- Completed Graduate Students: (43 Total: PhD = 5, Wildlife MS = 27, MNR = 7, Environmental Science thesis = 1, Wildlife Non-thesis = 3)
- Non-thesis
- leks:
- and
- Washington.
- M.S. Thesis. 162 pp.
- Schindler, J. 2008. Master of Natural Resources, non-thesis program.
- Kilpatrick, D. 2007. Translocating trumpeter swans from the Rocky Mountain Population: Habitat, movement, and survival. M.S. Thesis.
- Martens, A. 2007. The importance of canopy cover: grounds for development of a new model of mountain quail (*Oreortyx pictus*) breeding habitat in their eastern range. MS Report for Environmental Science. 39 pp.
- Shepherd, J. 2006. Modeling landscape-scale habitat use by greater sage-grouse in southern Idaho. Ph.D. Dissertation, 202 pp.
- Shoemaker, L. 2006. Master of Natural Resources, non-thesis program.
- Pence, M. 2005. Master of Natural Resources, non-thesis program.
- Taber, M. 2005. Master of Natural Resources, non-thesis program.
- Halverson, A. 2005. Master of Natural Resources, non-thesis program.
- Rockwell, M. 2005. Master of Natural Resources, non-thesis program.
- Collins, C. P. 2004. Ecology of Columbian sharp-tailed grouse breeding in coal mine reclamation and native upland cover types in northwestern Colorado. M.S. Thesis, 202 pp.
- Hausleitner, D. 2003. Population dynamics, habitat use and movements of greater sage-grouse in Moffat County, Colorado. M.S. Thesis, 162 pp.
- Wik, P. 2002. Ecology of greater sage-grouse in south-central Owyhee County, Idaho. M.S. Thesis. 141 pp.
- Herman, B.C. 2002. Spring and summer ecology of mountain quail (*Oreortyx pictus*) in west-central Idaho. M.S. Professional Paper, 55 pp.
- Boisvert, J.H. 2002. Ecology of Columbian sharp-tailed grouse associated with Conservation Reserve Program and reclaimed surface mine lands in northwestern Colorado. M.S. Thesis, 184 pp.
- Miyasaki, H. 2001. Ecology of blue grouse in west-central Idaho. M.S. Thesis, 83 pp.
- Walter, H. 2000. Ecology of the chukar in eastern Oregon. M.S. Thesis, 123 pp.
- Velosa, R.I. 1999. Avian-habitat relationships in Paramo and montane forests, northern Purace National Park, Cauca, Columbia. M.S. Professional Paper, 122 pp.
- Nohrenberg, G.A. 1999. The effects of limited predator removal on ring-necked pheasant populations in southern Idaho. M.S. Thesis, 88 pp.
- Nelle, P.J. 1998. The long-term effect of fire on sage grouse nesting and brood-rearing habitats on the Upper Snake River Plain. M.S. Thesis, 85 pp.
- O'Neill, J.P. 1998. Merriam's wild turkey ecology in southwestern Idaho. M.S. Thesis, 105 pp.
- McDonald, M.W. 1998. Ecology of Columbian sharp-tailed grouse in eastern Washington. M.S. Thesis, 125 pp.
- Leonard, K.M. 1998. Distribution, movements, and habitats of sage grouse on the Upper Snake River Plain: changes from the 1950's to the 1990's. M.S. Thesis, 91 pp.
- Lindbloom, A.J. 1998. Habitat use, reproduction, movements, and survival of chukar partridge in west-central Idaho. M.S. Thesis, 131 pp.
- Apa, A.D. 1998. Habitat use and movements of sympatric sage and Columbian sharp-tailed grouse in southeastern Idaho. Ph.D. Dissertation, 199 pp.

- Gardner, S.C. 1997. Movements, survival, productivity, and test of a habitat suitability index model for reintroduced Columbian sharp-tailed grouse. M.S. Thesis, 91 pp.
- Edelmann, F.B. 1995. Ecology of Merriam's wild turkeys in west-central Idaho. M.S. Thesis, 168 pp.
- Ulliman, M.J. 1995. Winter habitat ecology of Columbian sharp-tailed grouse in southeastern Idaho. M.S. Thesis, 119 pp.
- Landua, G.K. 1995. Wildlife management options for the Box Canyon Reservoir, Washington. M.S. Professional Paper, 143 pp.
- Schneider, J.W. 1994. Winter feeding and nutritional ecology of Columbian sharp-tailed grouse in southeastern Idaho. M.S. Thesis, 118 pp.
- Fischer, R.A. 1994. The effects of prescribed fire on the ecology of migratory sage grouse in southeastern Idaho. Ph.D. Dissertation, 150 pp.
- Folliard, L. 1993. Nest site characteristics of northern spotted owls in managed forests of northwest California. M.S. Thesis, 106 pp.
- Wakinen, D. 1991. Snag site characteristics and their associated use by avian wildlife in Ponderosa pine forests. M.S. Thesis, 97 pp.
- Robertson, M.D. 1991. Winter ecology of migratory sage grouse and associated effects of prescribed fire in southeastern Idaho. M.S. Thesis, 88 pp.
- Meints, D.R. 1991. Seasonal movements, habitat use, and productivity of Columbian sharp-tailed grouse in southeastern Idaho. M.S. Thesis, 74 pp.
- Wakinen, W.L. 1990. Nest site characteristics and spring-summer movements of migratory sage grouse in southeastern Idaho. M.S. Thesis, 57 pp.
- Musil, D.D. 1989. Movements, survival, and habitat use of sage grouse translocated into the Sawtooth Valley, Idaho. M.S. Thesis, 72 pp.
- Tressler, R.W., Jr. 1987. Implications of marsh management strategies on the nesting and brood ecology of selected duck species in southeastern Idaho. M.S. Thesis, 108 pp.
- Blakesley, Jennifer A. 1986. Avian habitat relationships in riparian zones of northern Utah. M.S. Thesis, 70 pp.

Current students:

PhD: Gifford Gillette, Dawn Davis, John Severson
MS: Joel Tebbenkamp, Lief Wiechman, David Blodgett III

Former Post-docs: Dr. Krista Bush, Dr. Jeff Beck

Extension and Service:

- 2012, reviewed manuscripts for Wilson Journal of Ornithology, Journal of Wildlife Management, Wildlife Biology
- 2012, External review team member for Department of Plant and Wildland Sciences, Brigham Young University, Provo, UT, February.
- 2011, reviewed manuscripts for Wildlife Biology, Vector Ecology, Canadian Field-Naturalist, Journal of Wildlife Management,
- 2011, External reviewer for promotion and tenure for an assistant professor at University of Montana.
- 2011, NSF MRI Instrumentation proposal review.
- 2011, BLM, Conservation Measures/Proposed Planning Decisions for Greater Sage-grouse review.
- 2010, Moderated panel discussion on 'Hunting a Candidate Species: The Science and Policy' at the 27th Western Agencies Sage and Columbian Sharp-tailed Grouse Workshop, Twin Falls, ID, March
- 2010, reviewed manuscripts for Wildlife Biology, Journal of Wildlife Management, Western North American Naturalist, book chapter for Historical Environmental Variation in Conservation and Natural Resource Management, a pre-proposal for the BLM, and a PowerPoint video for the Office of Sponsored Research, University of Idaho on 'Responsible Conduct of Research'
- 2009, reviewed manuscripts for Landscape Ecology, Wilson Journal of Ornithology
- 2008, reviewed two manuscripts for Journal of Wildlife Management
- 2007, reviewed manuscript for World Pheasant Association
- 2006, reviewed manuscripts for Wildlife Biology (3), Journal of Field Ornithology, Western North

American

Naturalist

2006, external reviewer for promotion of associate professor to professor at Oregon State University.

2005, invited panelist for Introductory Courses as Advising: A Panel Discussion, at 2nd Advising

Symposium,

Univ. of Idaho, Oct. 14

2005-06, invited member of the 34-person Sage-Grouse Forum, United States Institute of Environmental Conflict Resolution, Salt Lake City, Boise, and Phoenix meetings

2005, invited member of 6-person expert panel to assess risks of extinction for greater sage-grouse in Idaho, Idaho Department of Fish and Game, Boise, ID, Feb. 1-2

2005, external reviewer for promotion and tenure of assistant professor at the University of Alberta

2004, external reviewer for promotion and tenure of assistant professor at the University of Montana

2004, external reviewer for promotion and tenure of assistant professor at Oregon State University

2004, invited member of 7-person science panel to assess risks of extinction for greater sage-grouse,

USFWS,

Denver, CO, November 3-4

2004-06, Member, Grouse Habitat Restoration Fund Committee of the North American Grouse Partnership

2004, reviewed proposal on sage-grouse habitat restoration for National Fish and Wildlife Foundation

2003, external reviewer for promotion and tenure of assistant professor at Texas A&M University

2003, reviewed sage grouse plan for Washington Department of Fish and Wildlife

August 2002, invited to join the Grouse Specialist Group of IUCN/Species Survival Commission

July 2002, reviewed proposal on sage-grouse conservation for National Fish and Wildlife Foundation

July 2002, taught a 1-credit course "Sage-grouse: ecology and conservation of a desert icon" at Boise State University

October 2001, reviewed proposal for National Fish and Wildlife Foundation

August 2001, reviewed proposal on sage grouse for INEEL.

5 days at Inland Empire Natural Resources Youth Camp, taught radio-telemetry & land use game, June 1999.

45-minute presentation on birds to Cub Scout Pack 325, February 1999.

Narrated video for Inland Empire Natural Resources Youth Camp, 1998.

Presented a 2-hour session on sage grouse ecology to the Shoshone Basin Planning Team Meeting, June 1995

Reviewed script for UI Cooperative Extension System video "I want to log selectively: a practical guide to sustainable timber harvesting for inland northwest forest owners and logging operators." June 1994

Reviewed science prospectus on sagebrush habitat fragmentation for BLM, June 1993

Taught 8.5 hour course, "Beginning Birding," at Clark Fork Enrichment Series, Clark Fork, Idaho, April 1993

Presented 1 hour on "Forest bird habitat enhancement," at Stewardship Planning - What's Next? Workshop for NIPF landowners, Moscow, Idaho, March 1993

Presented 1 hour on "Forest birds: ecology and habitat enhancement." Non-Industrial Private Forest (NIPF) Foresters Workshop, Post Falls, Idaho, January 1993

Reviewed proposal for BLM on ecological condition of rangeland and nesting success of sage grouse, 1992

Served as judge for Wildlife Quiz Bowl at Western Students Wildlife Conclave, Moscow, 1992

Presented 1 day session with field trip on wetlands to North Idaho Master Water Watch Program, 1991

Technical review for CFWR Policy Analysis Group Report #3, 1990

Taught six 3-hour sessions on avian identification to Nez Perce Tribal Fish and Wildlife technicians

Member, Snake River Birds of Prey Technical Review Committee, 1988-90

Presented 2 hour session on "New Perspectives in Wildlife Ecology" to USFS Wildlife Habitat Management Workshop, Logan, Utah, 1990, 1991

Presented 1.5 hours on fates of seeds to the Forest Regeneration and Site Preparation Workshop, Moscow, Idaho, December 1987

Presented 3.5 hours on nongame birds and forest wildlife habitat relationships at the Wildlife Habitat Shortcourse, Logan, Utah, June 1987

Manuscript reviews for: *Wildlife Society Bulletin*, *J. Wildlife Management*, *Auk*, *J. Field Ornithology*, *Northwest Science*, *Symp. Freshwater Wetland and Wildlife*, *The Murrelet*, *Conservation Biology*, *North American Bird Bander*, *the Prairie Naturalist*, USDA Forest Service, *Southwestern Naturalist*, USFWS Resource Publication Series, *Great Basin Naturalist*, *Biological Conservation*, *Wildlife*

Biology, Western North American Naturalist

Reviewer of the National Wetland Inventory's List of Wetland Plant Species, 1986

Reviewer of a NSF EPSCoR proposal, 1986

Technical reviewer for research projects submitted to the Idaho Nongame Program

Faculty Advisor to the Student Chapter of The Wildlife Society, University of Idaho, 1983-86, 1990-94

Major Committee Assignments:

University:

College of Graduate Studies, Dean Search Committee, 2010-2011

Faculty Appeals Hearing Board, 2005-2009, departmental administrator alternate

Interim Vice President for Research Screening Committee, 2006

President's Blue Ribbon Committee on Presidential Strategic Initiatives, 2006

Faculty Appeals Hearing Board, 2005-2008, departmental administrator alternate

CNR Dean's Search Committee, 2001-02

Sabbatical Leave Evaluation Committee, 2000-03, Chair during 2002-03

Promotion Review Committee, 1997 and 1998

Faculty Council Alternate for CFWR, 1997-98

UI Committee on Committees, 1989-92

UI Animal Care and Use Committee, 1987-89

UI Student Evaluation of Teaching, 1986-87

College of Letters and Science:

Biological Sciences Search Committee for Vertebrate Ecologist, 1994, 1995

College of Natural Resources (formerly Forestry, Wildlife and Range Sciences):

Petitions Committee, 2004-present

Goal 2 Team Chair, 2008

Chair, Conservation Social Science Department Head Search Committee, 2007

Monnett Scholarship Committee, 2007-present

Chief Financial and Administrative Officer Search Committee, 2006-2007

Faculty member of the Center for Research on Invasive Species and Small Populations (CRISSP),

2004-

2010

Search Committee Chair, Fisheries Ecologist Position, 2004

Search Committee Chair, Wildlife Ecologist Position, 1999

Conservation Biology Committee, 1998-present

Promotion Review Committee, 1997-99, 2002

Master of Natural Resources Committee, 1998-2000, 2003-2010

George Savage Excellence in Writing Committee, 1995-97

McGovern Advisory Committee, 1995-99

Committee on Committees, 1993-96

Clark Fork Advisory Committee, 1993-94

DeVlieg Foundation Endowment Committee, 1993-97

Raptor Research Technical Assistance Center, UI CFWR representative and member of Director

Search Committee, 1992-94

CFWR Fish and Wildlife Department Head Search Committee, Chair, 1992-95

CFWR Strategic Planning Committee, 1992-93

Scholarship and Awards Committee, 1988-97

Petitions Committee, 1988-89

Chairman, Outstanding Research Committee, 1985

Chairman, Committee on Evaluation of Pre-proposals for Interdisciplinary Research, 1985

Fish and Wildlife, Gratson Field Experience Award Committee

Fish and Wildlife Promotion and Tenure Committee, 2002

Fish and Wildlife Search Committee for 2 wildlife faculty, 1995-96

Fish and Wildlife Secretarial Search Committee, 1996

Fish and Wildlife, Chair, Third-Year Performance Review Committee for untenured faculty, 1996

59th Stated Meeting of the Cooper Ornithological Society Scientific Program Committee, Scientific

Program Chairman, Local Committee on Arrangements, 1989

52nd Stated Meeting of the Cooper Ornithological Society Scientific Program Committee, Local Committee

on Arrangements, 1982
 The Wildlife Society
 Leopold Award Committee, 2009-2011
 President, Idaho Chapter, 1998-2000
 Idaho Chapter Vice President and Chair, Annual Meeting Committee, 1997-98
 Chair – Local arrangements for 40th Annual Meeting, Moscow, 2004
 Board of Directors, Inland Empire Natural Resources Youth Camp, 1998-2001
 Originated, organized and moderated Special Session 7 “Challenges from Animal Rightists” at the
 56th North American Wildlife and Natural Resources Conference, Edmonton, Canada, 1991
 Ad Hoc Committee on Scholarships, 1991
 Chair, Honorary Membership and Special Recognition Awards Committee, 1995
 Northwest Section Wildlife Administrator Award Committee, 1990-91
 Idaho Chapter, Award Committee, 1990, 1995; Chair, 1991, 2001-2002, 2009- 2012
 Continuing Education Committee Representative for the Northwest Section of TWS, 1988-91
 Idaho Chapter Membership Committee Chair, 1988-91
 Northwest Section Annual Meeting - Committee on Local Arrangements for 1988 meeting
 Ad Hoc Committee on Northwest Section Awards, 1988
 Adjunct Faculty at Boise State University, Graduate Committee Member for M.S. student

Other Professional:

Employment:

Graduate Fellow, College of Natural Resources, Utah State University, 1980

Consulting:

Reviewed, with J. Beck, the Species Assessment entitled: A Technical Conservation Assessment for the
 Columbian Sharp-tailed Grouse (*Tympanuchus phasianellus columbianus*) for the Society for
 Conservation Biology, 2004
 Policy Analysis Center for Western Public Lands, Implications of Listing Sage Grouse, 2001-2002
 Science Applications International Corporation, 2000
 Washington Department of Fish and Wildlife, sage grouse reintroduction committee, 1998
 Forest Service Eastside Ecosystem Management Project, Walla Walla, Washington, February 1996,
 September 1996, panel member assessing viability of bird species, and assessing habitat and seral
 stage use of sage grouse, Columbian sharp-tailed grouse, mountain quail, band-tailed pigeons, and
 blue grouse.
 Taught 1 credit graduate course, “Wildlife Habitat Ecology,” to Boise Cascade Foresters, Kettle Falls,
 Washington, 7 enrolled, 11 attended, February 1992
 Wetland Assessment, Pend Oreille County Public Utility District No. 1, 1991
 Thousand Springs Creek Habitat Management Plan, reviewed for BLM, 1987
 BLM and Idaho Fish and Game on a proposed treatment for sagebrush control, 1986
 Moscow City Police, necropsy of 7 ducklings re cause of death, 1986
 Idaho Fish and Game, design of trail, vegetation placement, and acquisition for Wildlife Habitat Project,
 1985-86

Professional Memberships:

American Ornithologists’ Union, 1975-present
 Association of Field Ornithologists, 1989-present
 Cooper Ornithological Society, 1977-present
 Grouse Specialist Group, IUCN/Species Survival Commission 2002-present
 National Institute for Urban Wildlife, 1986-90
 Nongame Wildlife Association of North America, 1984-99
 Northwest Science Association, 1985-present
 Associate Editor of Zoology, 1987-91
 The Wildlife Society, 1974-present
 Idaho Chapter and Northwest Section
 Chair, IC-TWS, Professional Wildlifer Award, 1994, 2001, 2002

Idaho Chapter President, 1998-2000
 Idaho Chapter of TWS Vice President, 1997-98
 The Society for Conservation Biology, 1990-present
 The Society of Wetland Scientists, 1986-98
 Western Bird Banding Association, 1978-92
 2nd Vice President, 1988
 Annual Research Grant Award Committee Chairman, 1987-91
 Board of Directors, 1985-87
 Advisory and Review Board, 1985-92
 Wilson Ornithological Society, 1981-present
 Xi Sigma Pi
 Sigma Xi

Career Development Activity:

Attended the Idaho Chapter TWS meeting, Boise, ID March 2012
 Attended The Wildlife Society annual meeting, Hawaii, November 2011
 Attended the Idaho Chapter TWS meeting, Idaho Fall, March 2011
 Attended the 27th Western Agencies Sage and Columbian Sharp-tailed Grouse Workshop, Twin Falls, ID,
 June
 2010
 Attended the Idaho Chapter TWS meeting, Boise, March 2010
 Attended The Wildlife Society annual meeting, Monterey, CA, September 2009
 Attended the North American Wildlife and Natural Resources Conference, Arlington, VA, March 2009
 Attended Idaho Chapter TWS meeting, Moscow, March 2009
 Attended the Safari Club International Convention, Reno, NV, January 2009
 Attended 11th International Grouse Symposium, Whitehorse, Yukon, Canada, Sept. 2008
 Attended 26th Western Agencies Sage and Columbian Sharp-tailed Grouse Workshop, Mammoth Lakes,
 CA,
 June 2008
 Attended Predator-Prey Symposium, Pocatello, ID, May 2008
 Attended Northwest Section of The Wildlife Society Annual Meeting, Spokane, WA, March 2008
 Attended Idaho Chapter of The Wildlife Society Annual Meeting, Boise, ID, March 2008
 Attended Safari Club International Annual Convention, Reno, NV, January 2008
 Attended Mountain Quail Meeting, Boise, ID, January 2008, Roseburg, OR, January 2009
 Attended Prairie Grouse Technical Council Workshop, Chamberlain, SD, October 2007
 Met with scientists at Hedmark College in Norway, September 2007
 Attended The Wildlife Society Annual Meeting, Tucson, AZ, September 2007
 Attended Cooper Ornithological Society, Moscow, ID, June 2007
 Attended Idaho Chapter of The Wildlife Society Annual Meeting, Pocatello, March 2007
 Organized and attended Landscapes to Riverscapes Symposium, Moscow, ID, May 2007
 Attended the 13th Annual Meeting of The Wildlife Society, Anchorage, AK, September 2006
 Attended Applying Sound Research Administrative Decisions for Departmental Grant Administrators, UI,
 July 2006
 Attended 25th Western Agencies Sage and Columbian Sharp-tailed Grouse Workshop, Spearfish, SD, July
 2006
 Attended the Home range and animal movements workshop, Pocatello, ID, May 2006
 Attended 42nd Annual Meeting of the Idaho Chapter of The Wildlife Society and Northwest Section, Boise,
 Feb.
 2006
 Attended 10th International Grouse Symposium, Luchon, France, Sept. 2005
 Attended the Sage-grouse monitoring workshop, Pocatello, ID, May 2005
 Attended 41st Annual Meeting of the Idaho Chapter of TWS, Boise, Feb. 2005
 Attended 40th Annual Meeting of the Idaho Chapter of TWS, Moscow 2004
 Attended Annual Meeting of The Wildlife Society, Calgary, Canada, Sept. 2004
 Attended 24th Western Agencies Sage and Columbian Sharp-tailed Grouse Technical Committee,
 Wenatchee,
 WA, June 2004, moderated one session.

Attended The Trumpeter Swan Society meeting in Richmond, British Columbia, February 2003
 Attended workshop on How Much is Enough? Conservation and Management Planning in the Face of Uncertainty. University of Idaho and Idaho Department of Fish and Game, Craig Mountain Wildlife Management Area, October 2002
 Attended 9th International Grouse Symposium, Beijing, China, August 2002
 Attended Western States Sage and Columbian Sharp-tailed Grouse Workshop, Bicknell, Utah, June 2002
 Attended Workshop on Adding Value to Lek Counts, Torrey, Utah, June 2002
 Interim Department Head, July 1 2001-June 30, 2002
 Teaching Improvement Workshop, Reno, Nevada, 25 September 2001
 Attended Sage Grouse Habitat Restoration Symposium, Boise, June 2001
 Attended Promotion and Tenure Workshop, UI, April 2001
 Attended The Wildlife Society Annual Meeting, Reno, Nevada, September 2001
 Attended Western States Sage Grouse Technical Team Meeting, Reno, Nevada, September 2001
 Attended Leadership Meetings, UI, September 2001
 Attended 8th International Grouse Symposium, Rovaniemi, Finland, September 1999
 Spent two days examining Finnish spruce-pine forests as guests of Finnish Game and Fisheries Research Institute, Taivalkoski, September 18-19, 1999
 Attended Sage Grouse Technical Workshop, Reno, Nevada, June 1999, Lakeview, Oregon 2000
 Attended Grazing Behavior of Livestock and Wildlife Symposium, Moscow, Idaho, March 1999
 Attended 35th Annual Western Student Wildlife Conclave, Moscow, Idaho, March 1999
 Attended Northwest Section Annual Meeting of The Wildlife Society, Bozeman, Montana, March 1999, Post Falls, Idaho 2000
 Attended Western States Sage Grouse Conference, Boise, Idaho, January 1999
 Attended North American Wildlife and Natural Resources Conference, Orlando, Florida, March 1998
 Attended 7th International Grouse Symposium, Ft. Collins, Colorado, August 1996
 Attended Idaho Academy of Science, Moscow, Idaho, April 1996
 Attended Annual Meeting of the Wildlife Society, 1994, 1995
 Attended Sage Grouse in Idaho Forum, Twin Falls, Idaho, September 1994
 Attended Mountain Quail Workshop, Boise, Idaho, August 1994; McCall, Idaho, September 1996
 Attended First Joint Meeting of American Ornithological Societies (AOU, COS, WOS), Missoula, Montana, June 1994
 Attended Symposium on Status and Management of Forest Grouse of Western North America, Corvallis, Oregon, March 1994
 Attended Idaho Rare Animal Workshop, Post Falls, Idaho, March 1994
 Invited Participant, December 15, 1993, as first opponent for a doctoral student, Torstein Storaas, defense at the University of Bergen, Bergen, Norway
 Spent 9 days in Norway learning Norwegian vegetation, winter avifauna, & wildlife management, Dec. 1993
 Attended High Desert Ecological Research Institute Sage Grouse Conference, Bend, Oregon, November 1993
 Attended Prairie Grouse Technical Committee Meeting, Billings, Montana, September 1991; Ft. Collins, Colorado, July 1993; Medora, North Dakota, August 1995
 Attended Idaho Working Group Partners in Flight, Boise, March 1993
 Attended NIPF Foresters Workshop, January 1993
 Attended Wetlands Protection in Idaho: Living with No Net Loss, Boise, February 1991
 Attended Biennial Grouse Group Workshop, Salina, Colorado, July 1990
 Attended Northwest Section Meeting of The Wildlife Society, 1988, 1991, 1992
 Invited Participant, BLM Upland Game Management Planning Session, Boise, February 1988
 Attended Symposium on the Ecology and Management of Breeding Waterfowl, Winnipeg, Canada, August 1987
 Attended Western States Sage Grouse Workshop, Midway, Utah, July 1987; Moses Lake, Washington, July 1989; Pocatello, Idaho, June 1991; Ft. Collins, Colorado, July 1993; Reno, Nevada, July 1994; Gillette, Wyoming, July 1996; Billings, Montana, 1998, Redmond, Oregon, 2000
 Attended First Annual Meeting of the Society for Conservation Biology, Bozeman, Montana, June 1987
 Attended National Urban Wildlife Symposium, Washington, D.C., November 1986
 Attended Western Bird Banding Association Meeting, Santa Barbara, California, October 1986
 Invited Participant, "Wetland functions, rehabilitation and creation in the Pacific Northwest: The state of

our understanding,” Port Townsend, Washington, April 1986
 Attended 59th Annual Meeting of Northwest Scientific Association, Cheney, Washington, March 1986
 Attended Idaho Chapter, The Wildlife Society, Annual Meeting, 1984, 1986-2004
 Moderator for session 3, “Providing public satisfaction in future wildlife management; perspectives from users,” 1990 meeting
 Attended 16th Summer Seminar Series on Waterfowl and Wetland Ecology, Delta Waterfowl Research Station, 1983
 Attended Ecological Society of America Conference, 1983
 Attended American Ornithologists’ Union Stated Meeting, 1980, 1995
 Attended North American Wildlife Conference, 1978-91, 1998
 Attended Cooper Ornithological Society Meeting, 1977, 1982, 1989
 Attended First International Waterfowl Symposium, 1975

I possess a Federal Master-Personal Bird Marking and Salvage Permit No. 21684 (expired)
 Certified as Associate Wildlife Biologist, The Wildlife Society, 1984, Certified Wildlife Biologist, 1999

Community and Service:

1996, presented talk on birds and mammals to Campfire Boys and Girls.
 1993, presented talks on radio telemetry, mammals and birds to two local elementary schools.
 1991, presented several talks to local elementary school classes on birds.
 1990-present, Scout volunteer.
 1989-90, Taught “Wetlands and Waterbirds,” 1-day short course at the Clark Fork Enrichment Series.
 1988, Faculty advisor to UI Circle K Chapter.
 1987-present, Ducks Unlimited Local Committee.
 1987, 1988, taught “Waterfowl Identification,” 1-day short course at the Clark Fork Enrichment Series.
 1985-present, Kiwanis.
 1985-present, Latah Wildlife Association.
 1985, 1986, 1987, and 1988, Taught a week-long Elderhostel Program in McCall for 40 elderhostelers.
 1985-86, Mentor for Moscow High School student in the Gifted/Talented Program.
 1984-91, Member of the Nongame Advisory Committee for Region 2 of Idaho Fish and Game.
 1982, presented a talk, The Ecology of Black-billed Magpies in Utah, to Utah State University Chapter of TWS
 1982, presented a talk, The Application of Statistical and Multivariate Techniques as Used in Avian Research, to Applied Statistics Graduate Seminar, Utah State University.

GRANTS AND CONTRACTS:

From 1984 through December 2011, total funding equals \$4,753,244 plus \$1,100,000 in-kind support.

2011, Content editing. IDFG, \$3924.

2010-2015, Evaluating greater sage-grouse response to landscape level removal of encroaching juniper. University of Montana, \$129,956. Initial funding for first 1.5 years of a 4-year study.

2010-2014, Columbian sharp-tailed grouse ecology in CRP and native habitats. IDFG, \$52,785. Funding for 2010-2012.

2009- 2010, Sage grouse use of China Ridge. IDFG. \$11,000.

2008-2011, Sage-grouse fence collisions: an under-reported source of mortality. IDFG. \$96,630.

2006-2011, Population dynamics, dispersal and productivity of greater sage-grouse in California. California Department of Fish and Game. \$350,177 plus \$250,000.

2006-2011, Lek attendance patterns and vital rates in sage-grouse: implications for monitoring and management. IDFG. \$207,653 with E.O. Garton.

2006, Upland gamebird research, continuation funds. IDFG. \$15,000.

2006, Mapping territories of male ring-necked pheasants. IDFG. \$4014.

2005-2008, Mountain quail restoration and ecology at Craig Mountain and Asotin Creek WMAs. IDFG and WA DOW. \$108,364 plus \$30,000 in-kind.

2005-2006, Evaluation of a sage-grouse captive rearing technique: augmentation of wild sage-grouse broods with captive-reared chicks. National Fish and Wildlife Foundation, \$62,200. with A.D. Apa.

2005, Genetic assessment of greater sage-grouse in northwestern Colorado: implications for conservation and management of a declining population. CRISSP, \$4500. With T. Thompson.

2005, Kokanee and bull trout monitoring. IDFG, \$9955.

2004-2007, Center for Research on Invasive Species and Small Populations (CRISSP). Idaho State Board of Education, Junior author with 16 faculty members, \$950,000.

2004, Sage-grouse survival analysis. Idaho Department of Fish and Game, \$8,200.

2004-2008, Dispersal of wild and captive reared greater sage-grouse. Colorado Division of Wildlife \$121,000, plus \$50,000 in-kind.

2004, Ecology of Caucasian black grouse in the Republic of Georgia. Georgian Center for the Conservation of Wildlife, \$5,000.

2004, Habitat suitability for mountain quail at Craig Mountain and Asotin Creek Wildlife Management Areas.

Idaho

Fish and Game, \$5,400, and Washington Department of Wildlife, \$6,000.

2003, Elk research technician. Idaho Fish and Game, \$9,700.

2003, Pre-season trapping and banding of mourning doves. WMI and IDFG, \$5,000.

2003, Upland gamebird research. IDFG, \$35,000.

2003, Survey of breeding and wintering habitat for trumpeter swans along the Bear River, Idaho. State Wildlife Grant Program, IDFG, \$4,500.

2003, Sage-grouse data compilation. Colorado Division of Wildlife, \$11,500.

2002-05, Evaluation of trumpeter swan translocations. Idaho Fish and Game, \$89,600 plus \$40,000 in-kind.

2002, Travel grant to present at the 9th International Grouse Symposium, Beijing, China. UI Research Office, \$900.

2001, Elk recruitment technician. Idaho Fish and Game, \$11,025.

2001-02, Sage grouse population in Little Lost and Cow Creek. Idaho Fish and Game, \$17,000.

2000, Sage grouse research associate position. Idaho Fish and Game, \$21,236.

2000-05, Sage grouse use of fragmented habitat and details of nesting habitats. Idaho Fish and Game and BLM. \$180,600.

2000-06, Sage grouse ecology in the Owyhee uplands. IDFG, BLM, \$128,985.

2000-03, Impact of spring burning on wild turkey nest and brood habitats. USDA Forest Service, \$34,500.

2000-04, Sage and Columbian sharp-tailed grouse use of reclaimed and native habitats in northwestern Colorado. Colorado Division of Wildlife and Colowyo Mining Co. \$60,000, plus BLM funding in 2001-03. \$269,225, plus Trapper Mining Co. \$30,000, plus \$10,000 in-kind.

1999-2002, Analysis of spring and summer mountain quail data. Idaho Fish and Game. \$13,000.

1999, Travel grant to present at the 8th International Grouse Symposium, Rovaniemi, Finland. UI Research Office. \$900.

1999-2002, Sage grouse population ecology and habitat use in arid southwest Idaho. Idaho Fish and Game. \$98,985 plus \$25,000 in-kind.

1999, Vegetation mapping in the Curlew Valley. Idaho Fish and Game. \$12,000 plus \$8,000 in-kind.

1999-2006, Sage grouse chick survival. Idaho Fish and Game. \$238,486 plus \$50,000 in-kind.

1999-2001, Pheasant habitat and population analysis. Idaho Fish and Game. \$25,000.

1998-2001, Ring-necked pheasant habitat and population monitoring. Idaho Fish and Game. \$262,000 plus \$80,000 in-kind.

1998-01, Columbian sharp-tailed grouse use of reclaimed habitats in Colorado. Colorado Division of Wildlife. \$46,545 plus \$14,000 in-kind.

1998-99, Quantification of human-provided subsidies used by mammalian predators. University of Idaho Seed Grant. \$5,000.

- 1998-99, Wildlife values of BLM's wildlife tracts. Idaho Department of Fish and Game. \$13,975.

- 1979-80, Influences of winter social behavior on the fitness of Black-billed Magpies. Frank M. Chapman Memorial Fund, American Museum of Natural History. \$1,000.
- 1980, Black-billed Magpie research. Ecology Center, Utah State University. \$772.

SCHOLARLY WORK IN PROGRESS:

Research:

- Response of greater sage-grouse to juniper encroachment and juniper removal. 2010-2015.
- Influence of feral horses on translocated greater sage-grouse on the Yakama Indian Reservation. 2011-2014.
- Sharp-tailed grouse ecology in CRP and native habitats. 2010-2014
- Sage-grouse population dynamics in California. 2006-2012.

HONORS AND AWARDS:

- 2012 Arthur S. Einarsen Award from the Northwest Section of The Wildlife Society for Outstanding Service to the Wildlife Profession.
- 2007 Hamerstrom Award from the Prairie Grouse Technical Council for exemplary contributions to prairie grouse conservation.
- 2003 Outstanding Teacher Award, College of Natural Resources, University of Idaho.
- 2002 Ted Trueblood Communications Award for Best Professional Presentation at the Idaho Chapter of TWS Annual Meeting
- 2000 Alumni Award for Faculty Excellence, University of Idaho
- 1996 Ted Trueblood Communications Award for Best Professional Presentation at the Idaho Chapter of TWS Annual Meeting
- 1995 Ted Trueblood Communications Award for Best Professional Presentation at the Idaho Chapter of TWS Annual Meeting
- 1993 Professional Wildlifer of the Year Award from the Idaho Chapter of The Wildlife Society
- 1992 Alumni Award for Faculty Excellence, University of Idaho
- 1991 Alumni Award for Faculty Excellence, University of Idaho
- 1987 Sigma Xi Faculty Research Paper Award, University of Idaho
- 1984 Alumni Award for Faculty Excellence, University of Idaho
