

## SCHOOL AGREEMENT FORM

As the authorized representative of \_\_\_\_\_, participating in a University of Idaho McCall Outdoor Science School (MOSS) residential program, I understand and agree to the following:

1. Every student and adult attending MOSS must complete an online enrollment prior to arrival. Anyone arriving at MOSS without an enrollment on file will be required to return to school immediately at the school's arrangement and expense.
2. MOSS requires at least one school approved adult chaperone per field group and per sleeping group. MOSS strongly suggests that TWO school-approved adult chaperones be provided for each sleeping group. High School students may not fulfill the role of a chaperone.
3. Anyone in direct contact with a minor has to be background checked; this includes all teachers, chaperones, volunteers and adults related to a program that come with the school. The school is responsible for initiating the background check, for reviewing the results and for deciding who can participate in the program. Contact Keith Goodenough in the Risk Management Office if you have any questions, [kgoodenough@uidaho.edu](mailto:kgoodenough@uidaho.edu), 208-885-6177.
4. The school is solely responsible for the supervision and safety of students during any and all times that students are not directly engaged in MOSS programming—for example, during free time, after meals, cabin time, etc. Typical evening cabin time begins at 8:30 p.m. and end at 7:45 a.m.
5. If your school provides specific services for students—for example, but not limited to, interpreters, braille, one on one aids, etc.—your school will still be responsible for providing these services while at MOSS.
6. With advanced warning, MOSS is prepared to accommodate food allergies and intolerances. Please list known food accommodations: \_\_\_\_\_

Check here if allergies are so severe that students cannot be in the same room with the food.

7. Please check the boxes that pertain to your students and provide additional information on the lines below:

We have students attending MOSS that have physical challenges.

\_\_\_\_\_

We have students attending MOSS that have significant academic, emotional or mental challenges.

\_\_\_\_\_

*By signing my name below, I signify that I have read and understand the policies outlined above. I understand and agree that any action on my part, or by the group I am responsible for, that contradicts any portion of these policies is grounds for program cancelation or immediate removal from McCall Field Campus property at the group's arrangement and expense. I understand that the cost of damage to or theft of any university property will be billed to the individual or group responsible.*
