Rationale Information

Rationale for approval of this request:

Name better reflects course content.

Cooperative Course Approval (If Applicable)

Statement of Purpose

Co-operative programs are based on one or more of the following criteria:

- Strengthen the academic program -- by providing access to complementary or unique program components (faculty, facilities, or other program related information or materials).
- Support partnerships -- funded research/grants.
- Provide efficiencies -- resource and/or fiscal efficiencies that would not otherwise be available.

Is this a request to add or drop cooperative status with this course:

Rationale for approval of this request; given the above statement of purpose how does this request support the outlined criteria:
