Co-requisites: None

Is this course cross- and or joint-listed? Note: all cross- and joint-listed courses will be updated to match the above information: no

Cross-listed with; subject prefix and number:

Joint-listed with; subject prefix and number:

Do all affected departments support these changes to the cross- and/or joint-listed course:

## Other Affected Departmental Chair/Heads(s) and date of approval of these changes:

### Rationale Information

Rationale for approval of this request:

Name better reflects course content.

# **Cooperative Course Approval (If Applicable)**

Statement of Purpose

Co-operative programs are based on one or more of the following criteria:

- **Strengthen the academic program** by providing access to complementary or unique program components (faculty, facilities, or other program related information or materials).
- Support partnerships -- funded research/grants.
- Provide efficiencies resource and/or fiscal efficiencies that would not otherwise be available.

Is this a request to add or drop cooperative status with this course:

Rationale for approval of this request; given the above statement of purpose how does this request support the outlined criteria:
