(Please refer to the video audition requirements below)

Video Tape Auditions:

- Students may submit a videotape or DVD for auditions in lieu of a live audition
- Videos must be postmarked no later than August 1, 2009 for incoming students
- All video auditions should include a ballet barre, a locomotor work across the floor in any dance form, and a jazz, modern, or other dance form combinations. If you not studied ballet, include a warm up sequence in either modern or jazz.
- In order for the faculty to evaluate video auditions in accuracy, we ask that you not wear loose clothing or costumes. Ideally, barre or warm up exercises and the floor patterns should be taped from the side (profile view), with center patterns from front. Please call or e-mail if you have questions.
- If you would like your video returned please include a self-addressed, stamped video mailer.

Required Essay:

Please write a 1-2 page essay on why you want to be a dance major. The essay should be typed and single-spaced.
