

CURRICULUM VITAE
University of Idaho

Name: Helen F. Brown, RD, MPH
Rank: Assistant Clinical Professor
Department: Movement Sciences
Office Location: Physical Education Building, Room 106

Date: 1/26/2014

Phone: 208.885.0172
Email: helenb@uidaho.edu

Date of First Employment: August 2006
Date of Tenure: Untenured
Date of Present Rank: August 2012

EDUCATION

Master of Public Health, Nutrition, University North Carolina, Chapel Hill, NC 1983
Emphasis: Maternal Child Health and International Nutrition
American Dietetic Association Registration 1984 to Present

Bachelor of Science, Community Nutrition, University of California, Davis, CA 1980
Emphasis: Community Health and Development

Semester at Sea, University of Colorado, Boulder, CO 1977

EXPERIENCE

Teaching, Extension and Research Appointments

Courses Developed and Taught at University of Idaho

FCS 205: *Concepts in Nutrition*, fall 2006 and spring 2007
HS 289: *Drugs and Society*, 2006 and on-line summers 2007-2008
HS 450: *Critical Health Issues*, 2008-2012
PEP 350: *Health and Physical Education Methods*, 2008-2011
HPRD 201: *Physical Activity, Wellness & Behavior Change*, 2008-2010
HS 490: *Health Promotion*, 2009- present
HS 423/523: *Health Education Method*, 2009-2010
MVSC 429: *Leadership and Pedagogy for Physical Activity and Health*, 2009-present
MVSC 486: *Programming and Marketing for Healthy Active Lifestyles*, 2010-present
PEP 498: *Summer Internships* for Exercise Science and Health students, 2010-2013
HS 404- *Global Health and Community Development*- Summer 2013
HS 404- *Peer Health Education*- 2013

Instructor, Washington State University, Exercise Metabolism and Nutrition

Pullman, WA August 2008-December 2009
FSHN 120: *Food Science and Preparation*, 2008-2009

Clinical Instructor, San Francisco University, School of Nursing

San Francisco, CA 1988-1993
Nutrition in Growth, Maintenance and Disease for 75 B.S. nursing students annually

Students Advised at the University of Idaho:

- Undergraduate- 30-38 per year
- Supervision in internships- 3-5 per year
- Practicum supervision- 2-4 per year
- Graduate- Member of two committees 2013

NON- ACADEMIC PROFESSIONAL EXPERIENCE

Healthy Community Coordinator/Director, Hinsdale County Public Health and Community Services, Lake City, CO, 1999-2005

- Directed, hired and supervised the staff of a new, sustainable, and comprehensive public health and human service department.
- Raised over \$800,000 in funding and directed and evaluated multiple health promotion initiatives: comprehensive school health education, nutrition and physical activity, tobacco control, parenting education, suicide prevention, juvenile delinquency prevention, cancer screening and prevention, health care access, substance abuse prevention and counseling, food access and a youth lead tobacco control initiative.
- Initiated Comprehensive School Health education in the Lake City Community School, obtained funding, developed a three year education plan and trained staff.
- Assessed county health needs, services, and mobilized the Hinsdale County Health Coalition, a body charged to help develop and guide the county health planning, implementation and evaluation.
- Developed local, regional and state health partnerships and served in regional and state advisory board positions.

Public Health Perinatal Nutrition Consultant Specialist III, California Department of Health Services (DHS), Maternal Child and Adolescent Health (MCAH), Sacramento, CA 1993-1998

- Responsible for perinatal nutrition Comprehensive Perinatal Service Program (CPSP) content, standards, and adherence to state regulations.
- Planned surveillance and analysis systems for program monitoring, evaluation and continuous improvement with MCAH Epidemiology and Women's Health, Children's Health Services and the Domestic Violence programs.
- Disseminated perinatal nutrition and public health expertise to DHS programs and California constituents: Medi-Cal providers, health jurisdictions, University colleagues, and health management organizations.
- Worked with a multi-disciplinary team to interpret, and communicate program goals, requirements, and practice models.
- Lead editing and writing for two major CPSP publications distributed to over 2,000 Medi-Cal providers.
- Participated in MCAH strategic planning for Healthy People 2000 goals and objectives.
- Planned surveillance and analysis systems for program monitoring, evaluation and continuous improvement with MCAH Epidemiology and Women's Health, Children's Health Services and the Domestic Violence programs.

Program Director, Women, Infants and Children (WIC) Supplemental Nutrition Program, Native American Health Centers, Inc., San Francisco and Oakland, CA. 1987-1989

- Managed daily WIC operations (caseload 1200) in a multi-cultural urban setting, including program planning, budget development, personnel hiring, training, supervision, translation services, performance appraisals, nutrition education development, participant outreach, direct client services, and Health Center management activities.
- Managed WIC program data and designed and completed annual quantitative and qualitative program evaluation.
- Increased WIC caseload with effective outreach programs and expanded nutrition and health educational offerings, improved breastfeeding rates and client satisfaction.

Tribal Nutritionist, Oneida Tribe Community Health Center, Oneida, WI 1983-1987

- WIC Program Director, therapeutic nutrition counseling, diabetic education, chronic disease education and health promotion, and food service and dietary consultation for Tribal nutrition programs.
- Hired, trained, and supervised staff and created and led wellness promotion, physical fitness instruction, and nutrition education training for tribal health leaders from the Great Lakes region.
- Increased breastfeeding rates improved through providing culturally appropriate education, eliminating artificial baby milk promotion, and training Native lactation advisors.
- Developed and conducted exercise classes and secured funding for an employee and community wellness and physical activity program.
- Served on the Oneida Nation strategic planning team.

Graduate Student Research Assistant, Dr. Barry Popkin, Carolina Population Center, Chapel Hill, NC 1982-1983

- Managed an abstract system for maternal, infant and children nutrition literature including personnel supervision, scientific writing, literature review, abstracting and editing.
- Provided technical consultation and support for public health research proposals and publications.

Nutrition Consultant Activities

Perinatal Nutrition Training Consultant, California State University Sacramento Continuing Education Services, Sacramento, CA 1999-2014

- Contracted to develop and conduct the perinatal services training, *Steps to Take*, for the California Department of Health Services, Maternal, Child and Adolescent Health (MCAH) Branch Comprehensive Perinatal Service Program (CPSP).
- Trained 450 CPSP Medi-Cal providers and practitioners on perinatal health assessment and care standards and the use of the CPSP *Steps to Take* resource guide.
- Wrote and edited *Steps to Take* nutrition guidelines for Medi-Cal providers statewide.

Nutrition Consultant, Walden House, Inc., San Francisco, CA 1988-1993

- Delivered nutrition services to substance abuse treatment clients with HIV and AIDs, disordered eating and acute and chronic diseases.

- Created a new food service operating system including modified menus, food service protocols, in-service trainings, and educational offerings for residents.
- Supervised University of California, Berkeley public health graduate students' food service management field work.

Health Educator, Kaiser Permanente, Oakland and San Francisco, CA 1989-1991

- Initiated and maintained a successful 12 week weight loss and physical activity program, SHAPEDOWN[®] for overweight adolescents and families.

Marketing Consultant, Balboa Publishing, San Anselmo, CA 1990-1991

- Provided technical assistance to SHAPEDOWN[®] providers nationwide and marketed SHAPEDOWN[®] to interested providers and institutions.
- Edited, revised, and contributed to SHAPEDOWN[®] handbooks for children and parents and to Laurel Mellin's popular weight loss book, *The Solution*.

ACADEMIC HONORS AND AWARDS

2013- Alumni Award for Excellence, University of Idaho

2012- Alumni Award for Excellence, University of Idaho

2012- PacificSource Health Plans' Citizen Advocacy Award, Moscow Active Living Task Force

2012- Certificate of Recognition in School Health, Coordinated School Health Program, State Department of Education, Idaho

2011- University of Idaho, College of Education Outreach Award

Scruggs, P. W., Paul, D. R., Goc Karp, G., & Brown, H. *Statewide Prevalence and Correlates of Physical Education Physical Activity in Idaho*. Robert Wood Johnson Foundation Active Living Grants Round 10, April 2010, \$292,571. Not funded.

Brown, H., & Goc Karp, G. *Safe Routes to School*. Idaho Transportation Department. Spring 2010, \$125,000. Funded.

Brown, H., Goc Karp, G. & Grindley, H. *Greening the Curriculum*. Sustainable Idaho, University of Idaho, 2009-2010, \$3,768. Funded.

Goc Karp, G. (PI), Paul, D., Scruggs, P.W., Brown, H., & Browder, K. (Co-PIs) *Statewide Assessment of BMI and Physical Activity Policy, Curricula and Behavior in Idaho K-12 Schools*. Idaho State Department of Education. Subcontract for Page, S.L. (PI). *Improving the health and educational outcomes of young people*. Centers for Disease Control and Prevention, 2009, 2008, \$58,080. Funded.

Goc Karp, G. (PI). Scruggs, P.W., Paul, D., Brown, H., & Browder, K. (Co-PIs) *Statewide Assessment of BMI and Physical Activity Policy, Curricula and Behavior in Idaho K-12 Schools*. Idaho Association of Health, Physical Education, Recreation, and Dance, 2009 \$15,000. Funded.

Goc Karp, G., and Brown, H., & City of Moscow. *Safe Routes to School*. Idaho Transportation Department, 2008-2009, \$13,000. Funded.

Goc Karp, G., and Brown, H., & City of Moscow. *Safe Routes to School*. Idaho Transportation Department, 2007-2008, \$15,000. Funded.

Other Grant Writing Accomplishments

- Partnered with City of Moscow to develop USDA Farmer's Market Promotion Program Consumer Based Nutrition Education project. \$32,000 Funded.
- National Education for the Arts Dance Choreography proposal to restage Jean Erdman's work accepted and funded for October 2010 performance. \$15,000 Funded.
- National Endowment for the Arts, Dance USA to restage a Bill T. Jones work for 2008 Dance Theatre work. \$10,000 Funded.
- Wasmer Foundation, Inland Northwest Foundation grant received to feature Latin Jazz Dance artists at the 2009 Lionel Hampton International Jazz Festival. \$5,000 Funded.
- Northwest Academic Computing Consortium –Assisted HPERD faculty member to complete a proposal to map body mass index using geographical information systems. \$10,000 funding approved, project was not undertaken.

SERVICE

National

- 2013 Association of State Public Health Nutritionists (ASPHN) liaison to the American Public Health Association Food and Nutrition Section.
- 2013 Contributor/Reviewer for *Cornerstones of a Healthy Lifestyle: Blueprint for Nutrition and Physical Activity*, 2013 (APSHN)
- 2013 Association of Graduate Programs in Public Health Nutrition- reviewed *Strategies for Success: Curriculum Guide for Graduate Programs in Public Health Nutrition with Didactic and Experiential Learning*.
- 2013 2013 Engagement Scholarship Consortium abstract reviewer
- 2011-2013 Abstract reviewer for the American Public Health Association Annual Conference
- 2013 Association of State Public Health Nutritionists- Obesity Nutrition Prevention Council steering committee
- 2012 United States Department of Agriculture- NIFA Grant Reviewer

State

- 2013 Idaho Voices for Children- Nourishing Idaho Task Force
- 2013 Mott Foundation Grant- Idaho After School Coalition
- 2011-2013 Idaho Department of Health and Welfare- HEAL Advisory Group
- 2010-2011 Idaho Department of Health and Welfare, State of Idaho, Healthy Eating, Active Living State blueprint for action
- 2010 Idaho State Department of Education, K-12 Comprehensive Health Education Standard Development
- 2000-2004 Get Real Youth Tobacco Coalition Member, Denver, CO
- 2004 Western Slope Rural Philanthropy Days Board Member, CO
- 2002-2005 Workforce Development Task Force, Region 10, CO
- 1995-1998 California Breastfeeding Task Force, Sacramento, CA
- 1995-1998 University California Berkeley MCH Nutrition Advisory Group

Local

- 2012-2013 City of Moscow- High Five and Let's Move Coalition
- 2009-2013 Safe Routes to School Task Force
- 2010-2011 City of Moscow Mobility Task Force, Moscow, Idaho
- 2010-2011 City of Moscow, Complete Streets Task Force
- 2009-2011 Gritman Hospital Community Wellness Committee
- 2007-2011 Board Member, Officer Newbill Kids Safety Fair, Moscow, Idaho
- 2000-2005 Hinsdale County CO School Board Member, President 2002-2005
- 2000-2005 Hinsdale County Youth Services Board, Lake City, CO
- 2002-2005 Lake City Community Foundation Board Member, CO

University of Idaho

- 2012-2013 UI Vandal Health Coalition
- 2012-2013 UI Leadership Academy
- 2013 UI Food and Economic Development Working Group
- 2013 Office of Community Partnership Hispanic Health fact sheet consultation
- 2013 UI Office of Community Partnership (OCP) grant review
- 2012-2013 Financial Aid Review Committee
- 2010-2013 Outreach and Engagement Council
- 2012-2013 NCATE health education accreditation
- 2006-2011 UI Sustainability Center, Sustainable Food Task Force
- 2007-2011 Field site supervisor for MVSC students practicum and internships

Other Outreach and Engagement:

- 2012-2013 Benewah Medical and Wellness Center, Community Transformation Grant Evaluator and Community Health Assessment Development
- 2011-2013 Coeur d'Alene Tribe of Indians- Nutrition Environmental Measures Survey
- 2008-2011 Public Health, Idaho North Central District, CDC proposal support and development of Healthy Living Community Meetings strategies
- 2007-2011 Partnership with Moscow City and School to implement the SR2S program
- 2007-2011 Provide consultation and assistance to City of Moscow in health programming development
- 2007-2011 Resource for food systems/food security issues on University grants and community based projects

PROFESSIONAL DEVELOPMENT

- 2012-2013 Annual UI Advising Symposium
- 2012-2013 University of Idaho Leadership Academy
- 2013 American Public Health Association Learning Institute-Global Health
- 2012 American Public Health Association Learning Institute-Writing for Publication
- 2011 Built Environment Assessment Training (BEAT)
- 2010 CDC Academy of Higher Education for Health Educators. Kansas City, MO
