DATES FOR INTERNSHIP

The University of Idaho teacher internship (student teaching) period consists of either a one or two semester long program, depending on the certification the student is pursuing. Each semester must include a minimum of 16 weeks of internship. The University of Idaho's calendar for spring semester of 2013 runs from January 9th to May 10th. We recommend that students stay as close to these dates as possible for their internship. However, the specific starting and ending dates may vary depending on the expectations of the school where the intern is placed. Dates may also vary for those students who are continuing on with a second semester of internship. Interns will follow the school district calendar for holidays and not the University of Idaho calendar. It is possible that interns may be expected to complete their internship after their graduation date.

<u>NOTE:</u> If a student has two separate placements of 8-9 weeks within the semester, they need to complete two separate forms. If they have one continuous placement for the entire semester split between two different mentors, only one form is required.

Please give this completed form to your University Supervisor. Supervisors, please return with other paperwork by February 15th
