University of Idaho

Physical Education Teacher Education (B.S. Ed) - Teacher Certification for Grades K-12

The Physical Education Teacher Education Program will prepare you with the knowledge and skills to teach and promote movement, physical activity, fitness and wellness in elementary and secondary school settings. As a certified K-12 physical education teacher you'll have the ability to make a positive difference in the wellness of children of all ages. We recommend you also pursue a secondary endorsement with your physical education certification.
