**\*\*** If you have identified your own externship not listed on Symplicity, please review the supervisor guidelines at  
<http://www.uidaho.edu/law/academics/clinicsprofessionalskills/externships> to make sure  
your supervisor meets the program's requirements.

**\*\*\*\* BY SIGNING BELOW, I ACKNOWLEDGE AND RECOGNIZE 1) that summer externships are variable credit courses and that I am responsible for registering for the proper number of credits BEFORE the Registrar's add/drop/credit change deadline, after which time I cannot alter the number of credits, and after which the College of Law may not support a petition to alter the number of credits; and 2) if I commit to an externship and were to then abandon it, I would be harming my own reputation, the reputation of the College's program, and would be potentially depriving another student of a valuable externship opportunity, and I will therefore refrain from withdrawing from an externship once committed, except for the most extreme and compelling of reasons.**
