STUDENT EXTERNSHIP APPLICATION

1. REQUIRED DOCUMENTS

Please e-mail the following documents to Professor EagleWoman and the Summer Externship Director. These documents are due on the same date as this application (for summer NALE externships this is usually February 1 unless otherwise announced). *If you have arranged your own externship you do not need to submit these documents*, but you still need to submit an application to the Externship Coordinator by the end of March and you need to coordinate your supervisor's completion and return of the Supervisor Application form available on the law school's website at

http://www.uidaho.edu/law/academics/clinicsprofessionalskills/externships

- Resume along with a list of three references, in pdf format
- Unofficial transcript in pdf format available on VandalWeb
- Writing sample in pdf format, if available
- *Do not* submit a cover letter with this application; those may be submitted at a later time.

**** BY SIGNING BELOW, I ACKNOWLEDGE AND RECOGNIZE 1) that summer externships are variable credit courses and that I am responsible for registering for the proper number of credits BEFORE the Registrar's add/drop/credit change deadline, after which time I cannot alter the number of credits, and after which the College of Law may not support a petition to alter the number of credits; and 2) if I commit to an externship and were to then abandon it, I would be harming my own reputation, the reputation of the College's program, and would be potentially depriving another student of a valuable externship opportunity, and I will therefore refrain from withdrawing from an externship once committed, except for the most extreme and compelling of reasons.
