

Controlled Substance Usage Form

Substance		Container	
Concentration		Protocol	
Investigator			
Dispensed	Date	Quantity	
Returned	Date	Quantity	

The principal investigator is responsible for appropriate storage and use of the controlled substances dispensed with this document. All controlled substances must be stored in a locked cabinet securely attached to the building. Each amount used must be in accordance with approved protocol guidelines and logged on this sheet, including patient identification. This sheet and any unused or outdated drugs must be returned to the Campus Veterinarian when completed. Continuation sheets are available if you fill up this page and haven't used all drug dispensed.

Date	Amount Used	Patient ID	Signature
