8th Annual UI COLLEGE OF SCIENCE STUDENT RESEARCH EXPOSITION

Friday, November 2, 2012 2:30 – 5:00 P.M. TLC Main Floor Lounge

(on the west side of the building)

Participants will be judged on the methodology and results of the research (40%), the design and layout of the poster (30%), and the clarity of a short presentation given to judges as they tour the displayed posters (30%).

UI Bookstore gift certificate prizes!

- Two College of Science Outstanding Graduate Student Research Awards (\$100 each)
- Two College of Science Outstanding Undergraduate Student Research Awards (\$100 each)
- Sigma Xi Research Society Award

College of Science T-shirts for all participants!

Eligibility for Undergraduate Category: Any undergraduate with a declared major in the College of Science is eligible, regardless of the affiliation of the faculty member supervising the research. Also, undergraduates from majors outside the College of Science who work on research projects with College of Science faculty are encouraged to participate. Other students who wish to participate may petition for eligibility by contacting Associate Dean Mark Nielsen (markn@uidaho.edu).

Eligibility for Graduate Category: Any University of Idaho graduate student participating in research supervised by a College of Science faculty member is eligible. As with the undergraduate category, other students may petition for eligibility by contacting Associate Dean Nielsen.

A limited amount of support is available upon request to help defray the cost of printing posters. Up to \$25 per participant is available – make inquiry with your application.

There is room for a maximum of 40 participants. To register, send the following information in a Microsoft Word file to Associate Dean Mark Nielsen (markn@uidaho.edu) by Friday, October 5:

- Name and contact email address
- Major and year (Freshman, Sophomore, Junior, Senior, Graduate)
- Poster title and abstract (300 word maximum)
- Faculty member(s) sponsoring research
- Organization(s) funding research (if appropriate)
- Requested shirt size (Sm, Med, Lg, XL)

Participation is limited to the first 40 entries – <u>apply early!</u>
