1. There are inherent risks of injury in intramural activities. The University of Idaho does not provide health or accident protection for participants. The University and any of its employees are not liable for injuries which might be sustained while participating. It is the participant's responsibility to notify the Intramural Sports Director of any physical condition which may affect participation in this activity. If insurance protection is desired, the participant must provide it himself/herself. Insurance protection is strongly recommended!
  2. We ask for your full cooperation in following intramural official's/supervisor's instructions regarding proper conduct, proper use of equipment, facilities and adherence to the rules of the intramural activity. We look forward to your participation in a productive, enjoyable and safe intramural program.
  3. Check your Intramural Handbook in regard to eligibility, protests, rescheduling, etc.
  4. An organization may enter as many teams as they wish. However, in the competitive league only one team from an organization will count toward the point system. This team should be designated at the time of registration. All other teams should be entered as independents. No intramural points are given in the Recreational league.
  5. Team sports are organized using INSTANT SCHEDULING, which is a method in which teams select the day they desire to play on a first come-first served basis. Entries for team sports will open one week before the entry deadline.
  6. Complete schedules will be available on Wednesday, March 12 (at the Captains meeting) in the Student Recreation Center Classroom at 4:00 pm.
  7. An individual may only play on one softball team. An illegal player will force a team to forfeit.
