PT school admission requirements vary from school to school, and it is very important to carefully check admission requirements at your schools of most interest and take the required coursework: PTCAS - Prerequisites. The following is a list of UI courses that are common prerequisites or strongly recommended courses for most PT programs:

**General Chemistry with lab (2 semesters)**
- **Chem. 111** - Principles of Chemistry (4cr.)
  *Prereq:* min 560 SAT math or min 25 ACT math or min 49 COMPASS College Algebra, or a grade of ‘C’ or better in Chem 101, Math 143, Math 160, or Math 170; pass the Chemistry Fundamentals Exam or Permission
- **Chem 112** Principles of Chemistry II (5 cr.) *Prereq:* Chem 111 or Permission

**General Biology (1-2 semesters – check specific program requirements)**
*Note:* some programs may require advanced coursework (300 level or above) such as Microbiology or Cell Biology
- **Biol 114** – Organisms and Environments (4 cr.)
- **Biol 115** - Cells and the Evolution of Life (4cr.)
  *Coreq:* Chem 101 or Chem 111

**Anatomy (1-2 semesters, check specific program requirements)**
- **Biology 120** – Human Anatomy (4cr., Fall only)
- **PEP 300** - Applied Human Anatomy and Biomechanics (2-3 cr)
  *Prereq:* Biol 120 or Permission

**Physiology (1-2 semesters, check specific program requirements)**
- **Biology 121** – Human Physiology (4cr., Spring only)
- **Pep 418** - Physiology of Exercise (3 cr).
  *Prereq:* MvSc 201, Biol 120 and Biol 121; or Permission

**General Physics with lab:**
- **Phys 111 and 111L** – General Physics I + lab (3 cr. class + 1 cr. lab)
  *Prereq:* Math 143
- **Phys 112 and 112L** – General Physics II + lab (3 cr. class + 1 cr. lab)
  *Prereq:* Phys 111

**Statistics (1 semester)**
- **Stat 251** – Statistical Methods (3 cr.)
  *Prereq:* One of the following: Math 108, Math 137, Math 143, Math 160, Math 170, or Sufficient score on SAT, ACT, or COMPASS Math Test to qualify for registration in Math 130
### University of Idaho

**Suggested Pre-Physical Therapy Courses**

**Social/Behavioral Sciences, such as:**
- □ **Soc 101** – Intro. To Sociology (3 cr.)
- □ **Psych 101** – Intro. To Psychology (4 cr.)
- □ **Psych 305** – Developmental Psychology (3cr.) and/or
- □ **Psych 311** – Abnormal Psych (3cr.)

**Additional courses that may be required or highly recommended include:**
- Medical Terminology
- Communication/Speech
- Ethics
- Nutrition

**Suggested Prerequisite Sequence** *(please note that this is just a suggested sequence, and may not be ideal for every student)*
