ALCP Extension of Time to Complete Program

Definition:
If a student is unable to complete the program by the completion date in #5 on the I-20 or #3 on the DS-2019, she/he must apply to extend the I-20 or DS-2019 until the program completion. An "Extension of Time to Complete Program" can be granted to students who have continually maintained F-1 or J-1 status and whose program completion has been delayed due to compelling academic or medical reasons.

Eligibility:
In order to be eligible for an "Extension of Time to Complete Program":

1. You must have continually maintained your F-1 or J-1 status and
2. Your delay must have been caused by compelling medical or academic reasons, such as documented illness, improper course level placement, etc.

When to Apply:
The student must apply for the extension before the program completion date on the I-20 or DS-2019 document. If the expiration date on the document has passed and an extension has not been requested, the student is in violation of status and may, in unique cases, apply for reinstatement.

Procedures:
To apply for an "Extension of Time to Complete Program" you must submit:

1. A completed Recommendation Form for Program Extension (page 2)
2. Financial Agreement for Issuance of I-20 or DS-2019
3. Updated Financial Documents

IPO will prepare a new I-20 or DS-2019 and authorize the extension for the appropriate period of time within 1 business day of receipt of all documentation.
