Information about the International Student Scholarship

You may apply for this scholarship through iVandal:
Departmental Services/ Scholarship Applications

The International Student Scholarship is awarded to one or two students each year from funds that have accrued through an international student scholarship endowment fund.

The decision making criteria for determining the scholarship awards is based upon merit only, which includes the following criteria:

- Academic performance record (GPA)
- Evidence of active participation in campus and community activities
- Indications of leadership
- Clarity of career objectives related to major area(s) of study

In order to apply, you must meet the following requirements:

1. Students must have completed at least one full year of an academic degree program at the UI.
2. Students must be degree-seeking and full-time in good academic standing in order to apply
3. Complete the application page (other side)
4. Attach and submit a brief statement (no more than one page, typed or printed), indicating why you believe you are a good candidate for the UI International Student Scholarship.

Please Note:
Scholarships are awarded once a year and awardees may not re-apply two years in a row.
